PRADHAN MANTRI JAN VIKAS KARYAKRAM (PMJVK)

SUBJECT:-MINUTES OF THE 32ND MEETING OF THE EMPOWERED COMMITTEE (EC) ON PMJVK HELD ON 23RD MARCH, 2021 TO CONSIDER PROPOSALS RECEIVED FROM THE STATES OF UTTAR PRADESH, MANIPUR, SIKKIM, RAJASTHAN & A&N ISLANDS.

The 32nd meeting of the Empowered Committee (EC) on PMJVK was held on 23.03.2021 to consider the project proposals of Minority Concentration Areas of the States of Uttar Pradesh, Manipur, Sikkim, Rajasthan & UT of A&N Islands.

2. The Joint Secretary & Financial Advisor, Ministry of Minority Affairs was present in the meeting.

3. The representative Ministry of Education, Department of School Education & Literacy (Shri Ravi Katyal, Deputy Secretary alongwith officials of TSG); Director (Dr. Harmeet Singh), Ministry of Women & Child Development; Director(Shri Vimal Anand), Ministry of Youth Affairs & Sports, Representative of DGT, Ministry of Skill Development & Entrepreneurship attended the meeting through video conferencing.

4. The meeting was also attended by Director & Joint Secretary (Shri Jameel Ahmed Qureshi), Government of Rajasthan; Additional Director (Dr. Mehmood Ali Khan); Principal Secretary(Shri B.L Meena), Special Secretary (Shri Shiva Kant Dewedi) & Director(Ms. C. Indumanti) alongwith Deputy Director, Govt. of Uttar Pradesh; Secretary(Shri N. Geoffrey) alongwith Director(Shri Bhogendra Meitei), Government of Manipur; Secretary (Shri Sanjay Kumar Jha) alongwith Director(Shri Aditya Jha), UT of A&N Islands; and Additional Chief Secretary(Shri G.P. Upadhaya), Secretary(Shri Tshewang Gyachho), Government of Sikkim attended the meeting through video conferencing.

5 At the outset, Chairman of the Empowered Committee welcomed all the members and the State representatives. After a brief introduction of the members, Joint Secretary (PMJVK) briefed the Committee about the aims and objectives of the scheme and observed that the following should be adhered to by all the stakeholders while implementing the PMJVK scheme:-

i. **Thrust Areas of the Karyakram:-** Under PMJVK at least 80% of the resources should be allocated for projects related to education, health and skill development, of which at least 33-40% should be specifically allocated for women/girls centric projects.

ii. **Adhering to guidelines and eliminating duplication:** States should ensure that the proposals have the approval of the State Level Committee of PMs 15 Point Programme and Mission Director of Centrally Sponsored Schemes concerned in order to ensure that the proposals are as per the specifications/ norms/standards set by the line Ministries/Departments concerned and that any duplication is ruled out. The responsibility for eliminating duplication in terms of work and funding vests with the concerned district authority and the State Government. The States were advised by the Empowered Committee to ensure that the catchment area of the assets created under PMJVK have substantial minority population. Further the States should also ensure that the assets proposed are located in the identified Minority Concentration Areas and are owned & managed by Govt/Govt body.

iii. **Review meetings of Oversight Committee in the State, and District Level Committees:** The scheme of PMJVK envisages quarterly review meetings by the State and District Level Committees for implementation of the Prime Minister's New 15 Point Programme for the Welfare of Minorities which also serves as the review committees for PMJVK. The participants were advised that the quarterly review meetings of State Level Committee/State Oversight Committee and District Level Committee should be held regularly and copy of the meeting notice should be sent to the Ministry to enable a representative from the Ministry also to attend State Level meetings as envisaged under PMJVK. It should be ensured without fail, that Members of Parliament nominated in such Committees are invited to attend the meetings. The nomination of MPs to the State Level Committees has already been done by the Ministry.

iv. **Sample testing and quality control:** Quality control is to be ensured through regular and frequent field visits and by testing samples of the construction work for which funds would be sanctioned by the Ministry as part of the project estimate on receipt of request from the State concerned. All the States were advised to carry out field visits, quality control tests and review all works under MsDP/PMJVK to ensure that there are no shortcomings in the execution of the works under PMJVK.

v. **Centrally Sponsored Scheme (CSS) guidelines of other Ministries:** There would be no change in the guidelines of any existing Centrally Sponsored Scheme (CSS) for implementation in MCAs under PMJVK. Whenever projects under a Centrally Sponsored Scheme are sanctioned under PMJVK, it shall be ensured by the Ministry of Minority Affairs as well as the State Govt. that the Ministry/Department concerned in the Centre and State are informed so that the number of units taken up are accounted in the physical register of

the Ministry concerned, and are also inspected by their officials wherever physical inspections are carried out in the State.

vi. **Timely release of PMJVK funds:** The State should ensure that Central funds received for projects under PMJVK, are released immediately to the implementing agencies along with matching State share. Parking of PMJVK funds at any level is strictly prohibited. States should also ensure that provisions are made in the State Budget for the amount of State Share. Subsequent installments of Central share for the projects may be sought by the State Govt on submission of requisite documents to the Ministry as per guidelines of PMJVK.

vii. **Late starting/late implementation of PMJVK projects make them liable for cancellation:-** The States should ensure that projects approved by the Ministry under PMJVK are started and completed within the prescribed time lines.

viii. **Extension of time for completion of projects:-** The States should inform the Ministry regarding all such projects which are falling behind completion schedule and seek extension of time for completion/re-scheduling of completion date.

ix. **Timely Submission of Reports**:- The State Governments are requested to submit reports on the progress of each project at the end of the quarter in the proforma of Quarterly Progress Report (QPR) prescribed for this purpose. **Signed copy of the QPRs should reach the Additional/Joint Secretary of the Ministry of Minority Affairs within 15 days at the end of the quarter under report.**

x. **Facilities for "Divyang Jan"** - The Empowered Committee reiterated the provision laid down in Para No.9.12 of PMJVK guidelines stating that the infrastructure constructed under PMJVK should be barrier-free and accessible to persons with disability and should follow the guidelines and space standards of Barrier-Free Built Environment for persons with disability and elderly persons as published by CPWD. The States were requested to follow the provisions as per Accessible India Campaign or Sugamya Bharat Abhiyan in the designing of buildings, approved under PMJVK.

xi. **Provision for Rain Water Harvesting**:- It is mandatory that all big projects constructed under PMJVK like Schools/College Buildings, ITIs, Polytechnics, Sadhbav Mandaps, CSCs etc, should have provision for rain water harvesting.

xii. **The States shall ensure observance of laid down procedures as per State policy and GFR in all public procurement and there should be no deviation from the rules under any circumstances. The States should ensure greater efficiency, economy, transparency in public procurement**

matters and observe fair and equitable treatment of suppliers and promotion of competition in public procurement.

xiii. **Public Functions**:- The State/UT will ensure that the Member of Parliament and State Legislature concerned are invariably invited for the function as per the established procedure/protocols of the Government.

6. The Committee observed that as per Para 11.1.3 of the guidelines of PMJVK, it is the responsibility of the "State Level Committee on PM's New 15 Point Programme (SLC)" of the respective State(s) to ensure that the projects recommended conform to the objectives and guidelines of PMJVK. The SLC should confirm regarding reasonability of cost and requirement of the project and the estimates should be prepared as per the State SOR.

7. With regard to the release of funds to the States, it was emphasized that the present status of approved projects along with time-lines for their completion be sent by the State(s) to the Ministry at the earliest.

8. The States were informed that all projects approved by the Ministry should be geo-tagged. While submitting proposals on the PMJVK portal, States are required to submit three photographs for each project. The first photograph should show the land identified for construction, the second photograph should be taken during mid-construction stage, and third should be of the completed building. The Chairman further desired that at the time of release of subsequent instalments, construction photographs should be provided by the States to the Ministry, and States should also try to get these photographs geo tagged.

9. With the permission of Chair, the Joint Secretary, PMJVK outlined the challenges put by COVID-19 pandemic over the implementation process of the scheme at ground level. She informed the Committee and representatives of the States that in the present scenario, it is expected that the States/UTs and other implementing agencies utilize the resources available under the scheme to its optimum. Funding requirements for all projects approved under PMJVK will be met out so that there is minimum disruption in the implementation of sanctioned projects. However, at the same time the Ministry has to exercise greater financial discipline and control over the expenditure under the schemes and has to confirm before releasing funds to the States that they have the capacity to actually spend from the previous year releases. Further, it was added that the States shall ensure that no parking of funds takes place at any level under the PMJVK Scheme.

10. The details of the projects considered by the EC are as under:-

A. **RAJASTHAN**

I. REVIEW & DROPPING OF PROJECTS

It was informed to the Committee that the Screening Committee had discussed the issues related to unspent balance, gaps in the release of State Share, physical progress of the projects sanctioned earlier etc, under PMJVK/erstwhile MsDP in the State of Rajasthan with the State representatives.

The State representative informed the Committee that the project for implementation of Cybergram in Barmer & Jaisalmer districts could not be completed as these are border districts and there are network related issues in these districts. He added that out of 10400 units sanctioned for the State under Cybergram around 1084 units have not been started. He added that the State is considering dropping of the remaining projects.

The proposal for dropping of nonviable projects was also discussed in the meeting. It was informed to the Committee that recently around 225 works which have been found non-feasible for implementation are proposed by the State for cancellation/dropping. The Additional Director from Rajasthan informed that out of these 225 units, 23 units have already been considered and approved for dropping by the 21st EC of PMJVK held on 6th Dec., 2019. It was informed to the Committee that the value of Central Share(1st installment) released by MoMA for these 23 units is Rs. 522.947 lakh. The State further requested that instead of returning of Rs. 522.94 lakh, MoMA may consider to adjust the said amount against approvals of new projects in future.

The State also informed the Committee that for the remaining 202 works against which 1st installment (Central Share) of Rs.1121.919 lakh has already been released by MoMA, it is proposed for dropping & adjustment of Central Share against future projects vide letter no. AF124(39)NASMAV/PMJVK/2019-20/11200 dated 04.02.2021.

The State representative submitted before the SC that total value of Central Share which is available with the State is Rs.1644.866 lakh which includes Rs.522.947 lakh approved by the 21st EC held on 06th Dec., 2019 for dropping.

The proposal for dropping of nonviable projects was considered by the EC.

The Empowered Committee observed that the Ministry has recently consulted Ministry of Finance, Department of Expenditure(vide ID No. MsDP-13/36/2019-MsDP-MoMA dated 03.03.2021) for clarification whether the funds available with States/UTs in respect of non-viable projects can be used for new projects approved under the scheme. The same has been agreed by the MoF vide their OM NO. 41(24)/PFC-II/2007(Vol.II) dated 11.03.2021 wherein DoE has stated that they have no objection if Ministry wants to cancel the unviable projects of few States and already released fund in respect of unviable projects which are lying with the State Govt. may be used for fresh or alternate project which are admissible as per scheme guidelines.

The EC observed that this provision may be kept for exceptional cases only and the States before proposing for dropping & adjustment of funds may first explore the feasibility of implementation of projects in case of land issues, by submitting proposals to the Ministry for seeking approval for change in the location of the project. However any proposal for dropping, surrendering or changing location of approved projects, should be duly recommended by the SLC and the State should give proper justification for the same. Further, the State while submitting the projects would also ensure that the projects are not being held-up due to insignificant reasons.

The EC further decided that the State/UTs may be allowed to drop only those un viable projects which were sanctioned in the 11th & 12 Plan period only, and which could not be started by the State due to specific reason to be given by the State in each instance of such proposed surrendering of projects. For the remaining projects approved wef 2017-28, the States should make all efforts for implementation of the approved projects. In case implementation is not possible, the State should submit proposal to MoMA to relocate the proposals to other locations and that dropping should be the last option for such projects approved w.e.f 2017-18.

The EC accordingly approved the adjustment of only Rs.967.002 lakh released by the Ministry for implementation of projects sanctioned during 12 plan period. The details of dropped projects are at Appendix-IV.

II. NEW PROJECTS FOR CONSIDERATION.

It was observed that the State Govt. of Rajasthan vide their letter No. 124(39)Dte DMA/MsDP/2018/pt-II/5810 dated 17.09.2020, 124(39)DteDMA/MsDP/Pt-II/SPL-2 dated 01.10.2019 and 124(39)DteDMA/MsDP/2018/Pt-II/10406 dated 15.01.2021 has submitted project proposals for the MCAs under PMJVK. The total value of the project submitted by the State Govt. is Rs. 33700.22 lakh.

2. The declaration of State as per Appendix-II of the guidelines has been submitted by the State Govt. Project descriptions have been submitted by the State in a booklet form. The brief descriptions of the projects are as under:-

(a) ACRs:- The State Government has proposed for construction of total 04 Additional Class Rooms in Govt Upper Primary School, Kagzi Devra & 01 ACR in Govt Primary School, Indira Colony. Both the schools are located in Bundi MCA of Bundi district. The unit cost is Rs. 8.43 lakh per ACR. The total cost of the proposal is therefore Rs.42.15 lakh. The UDISE codes furnished by the State were shared with MIS-MoE and they have recommended the following:-

S.No.	District	MCA	UDISE	Component	Component recommended
1	Bundi	Bundi	8230520901	ACR-4 at GUPS Kagzi Devra, Bundi	2 ACRs eligible
2	Bundi	Bundi	8230519606	ACR-1 at GPS Indira Colony	ACR-01 eligible

The cost details have been examined by Consultant (Technical) and cost of Rs. 8.43 lakh per additional class room is found reasonable. The State representative agreed to the project on above cost & component.

The SC recommended the project for consideration of EC.

The EC approved the components recommended by the MIS-MoE.

(b) ACR-Blocks: - The State Government has proposed for 07 units of ACR Blocks (composite Blocks) at the unit cost varying from Rs. 18.28 Lakh to Rs. 101.37 Lakh. The details are as under:-

S.No.	District	MCA	Component	Unit cost
				Amount in Rs. lakh.
1	Sikar	Sikar	ACR-4, Toilet-2	Already considered and eligible approved during 2019-20
2	Sikar	Sikar	ACR-4, toilet-2	
3	Sikar	Fatehpur	ACR-2, Toilet-2	
4	Sikar	Sikar	8 ACR, Toilet -1 at Govt UPS Nayakaan Sikar	62.98
5	Sikar	Sikar	8ACR at Govt Pannalal Chitlangiya Senior Secondary School.	80
6	Bundi	Bundi	5 ACR, 1 Toilet at GSSS Balchand Pada W.No 1 Bundi-MCT, Dist-Bundi	60.8
7	Bundi	Bundi	ACR 4, Lib 1, Computer room1, Art & Craft Room 1, Sci Lab1, Toilet 2 at GSS Rajatgrah, Bundi-MCT, Dist-Bundi	101.37

It was informed by State representative to the Committee that the projects mentioned at S.No.1 to 3 have been included in the list due to some communication gaps and the same may be excluded from the agenda. The UDISE code for remaining projects as furnished by the State was shared with MIS-MoE and the input/recommendation received is as under:-

S.No.	District	MCA	UDISE	Component proposed	Components recommended
1	Sikar	Sikar	8130511501	8 ACR, Toilet -1	Toilet -1
2	Sikar	Sikar	8130511305	8ACR	NIL
3	Bundi	Bundi	8230500191	5 ACR, 1 Toilet	3 ACRs, 1 Toile@Rs.37.48 lakh
4	Bundi	Bundi	8230520701	ACR 4, Lib 1, Computer room1, Art & Craft Room 1, Sci Lab1, Toilet 2	2 ACRs, 1 Lib., Art & Craft Room 1, Science Lab1, Toilet 2@Rs.66.05 lakh

The recommendation as per UDISE data base for projects mentioned at Sl.No. 1 & 3 above were discussed with the State. The State representative informed the Committee that the project for 8 ACRs and 1 Toilet was proposed by the State for Govt UPS Nayakaan Sikar-MCT, Dist Sikar and 5 ACRs & 01 Toilet was proposed for GSSS Balchand Pada W.No 1 Bundi-MCT, Dist-Bundi as the buildings of both these schools are in a dangerous condition. The State representative informed the Committee that the Upper Primary School at Nayakaan is having enrollment of around **90** and GSSS at Bundi has enrollment of around **312** students.

The Chairperson of SC had requested the State representative that the condition of School buildings may first be updated on the UDISE portal by the Education Department of the State and thereafter comments of MoE will be sought again.

The SC in consultation with the State representative recommended the deferment of project at Sl No 1, till the UDISE data base is updated by the State.

The SC recommended the projects at Bundi (S.No. 3 & 4 above) as per inputs of MIS-MoE.

The EC approved the components recommended by the MIS-MoE.

(c) College Building:- The State has proposed for construction of 9 College Buildings in the MCAs of Jaisalmer(01), Sikar(01), Alwar(04), Bharatpur(01), Barmer(01) and Nagaur(01) districts. The unit cost proposed is Rs. 600.00 Lakh. It has been observed that out of the **proposed 9 projects, 2 have already been sanctioned during 2019-20** at a unit cost cost of Rs.600 lakh, hence only 07 proposed colleges are to be

considered.

It has been mentioned in the project details that Directorate, College Education in Rajasthan has already issued orders for running the Colleges, which are now operational on a temporary basis in nearby Government Schools. The State has submitted list of such Schools where these Colleges are presently running (Pp.127 of booklet-01). It has also been mentioned that proposed Degree Colleges will be of 02 Sections and there will be 06 sections at Graduation level. The College will be run by Department of College Education. State Government of Rajasthan.

The layout submitted by the State in the booklet was not legible. Further, the cost abstract for one of the projects submitted by the State has been examined and it has been noticed that Plinth area for GF & FF has been proposed as 16000 Sqft & 6000 Sqft. No drawings or calculation sheets have been attached. The development cost has been taken @ 5% amounting to Rs. 25,24,237.00 against the projected cost; Development charges are - Rs.10 lakhs + Roads & paths - Rs.12.5 lakhs. The contingencies @ 3% have been considered and no departmental charges are allowed. The PE cost per unit Rs.551.29 lakh has been found to be reasonable by the Technical Consultant of PMJVK for the project.

The projects were discussed by the Screening Committee with the State representatives. It was informed to the Committee that the projects for construction of infrastructure for College Buildings sanctioned so far are in various stages of implementation. The SC had desired that the photographs of the construction activities may be furnished to the Ministry.

The State informed about the enrolment in the proposed colleges, which are running in nearby schools, is as under:

S. N.	District	MCA	Name of Project	Enrolment		
				Girls	Boys	Total
1	Jaisalmer	Sankara	Govt College Building Bhanyana	34	63	97
2	Sikar	Fatehpur	Govt College Building, Fatehpur	100	100	200
3	Alwar	Tijara	Girls College Building Tapukda	102	---	102
4	Alwar	Ramgarh	Govt College Building, Ramgarh	89	88	177
5	Bharatpur	Nagar	Govt College Building Sikri	78	79	157
6	Alwar	Umren	Govt College Building Malakheda	129	70	199
7	Barmer	Chouhtan	Govt College Building Sedwa	18	24	42

The Cost of the project was also discussed with the State and it was informed that since, the project is to be implemented by PWD, the Departmental Charges proposed by the State is not admissible.

The SC in consultation with the State recommended the project at the unit cost of Rs. 551.29 lakh.

The EC approved the 7 projects listed above.

(d) Hostels: - The State Govt. has proposed 17 nos. of Hostels (14-Boys Hostels & 03-Girls Hostels) at cost ranging from Rs.250 lakh to Rs.718.22 lakh. 11 units of the Hostels have been proposed at the unit cost of Rs. 250 lakh in the MCAs of Ajmer (01), Alwar (02), Churu (01), Ganganagar (02), Jhunjhunu (02), Sawai Madhopur (01), Sikar (01) and Tonk (01). The capacity of the hostels have been observed as 50 bedded (confirmed by State before the SC).

05 units of 50 bedded hostels have been proposed at the unit cost of Rs.332 lakh in the MCAs of Nagaur (02), Bundi (01), Ganganagar (01) and Swai Madhopur (01). 01 Hostel at the unit cost of Rs.718.22 lakh has been proposed at Govt Unani College Tonk.

It is observed that the hostels with unit cost of Rs. 332 lakh and Rs. 718.22 lakh were considered by the EC in the previous year and the eligible projects were approved. The State informed the SC that these projects have been repeated due to some communication gaps and may be dropped. **The SC accordingly recommended exclusion of the 6 Hostels.**

The remaining 11 units at the unit cost of Rs.250 lakh was considered by the SC. It was observed that the cost details for these projects have been examined by the Technical Consultant and Rs. 246.29 lakh has been found reasonable for the project. The cost of ceiling fans (Rs.11.0 lakhs) are included in Internal Electrical Installation. The provision for providing Power wiring & plugs @ 4% has been added.

It was informed to the Committee that the State is presently having NGO run hostels and the NGO run hostels are proposed to be replaced with instant project run by the Department of Minority Affairs, Govt. of Rajasthan. Further, it was added that the hostels are stand alone hostels, and not related to any educational institutions. However, these hostels cater to the requirement of students studying in nearby Schools/Colleges.

The Screening Committee desired the following information:-

(i) The state may furnish justification for requirement of the Hostels at the proposed locations.
(ii) The details of the occupancy of the hostels already being run by the NGOs in these areas.

(iii) List of educational institutions in nearby areas of the proposed locations.

The SC in consultation with the representative of State recommended the project subject to submission of the above information.

The project was discussed with the State representative. On the query of Chair, the State informed that at present, the State has to incur an expenditure of the Rs. 2000 per student per month. The hostel facility proposed by the State will have provision for expenditure of Rs.2500/- per month per student. However the accommodation will be provided at no cost to the students. The facilities like better rooms, propoer toilets, bathing facility, dining area/kitchen, Track suits, Almirah, Study space etc as per the norms of the State, will be provided to the students in these proposed hostels. It was added that there is a State policy for admission in Government hostels and the same will be followed for these 11 hostels also. It was also observed that the State has furnished information related with enrollment for those hostels being run by NGOs, details of the educational institutions in nearby areas and justification for the Hostel. The State representative further submitted that the expenditure on the hostel will be borne by the Department of Minority Affairs & Wakf, State Government of Rajasthan and that the Department itself will run these hostels which will benefit the students.

Considering the submission of the State, the EC approved the project.

(e) Common Service Centres:- The State Government has proposed for construction of 07 Common Service Centre at the unit cost of Rs. 140.00 lakh. The units proposed are located in Umren, Nagaur, Masuda, Sawai Madhopur, Tonk, Ramgarh and Laxmangarh MCAs. As per records, the Ministry has so far not approved any CSC/Sadbhav Mandap for the proposed locations.

The SC recommended the project as per norms of the Ministry for CSC.

The EC approved the project.

(f) Public Health Centres:- The State Government has proposed for construction of 12 no of Public Health Centre at the unit cost of Rs.74.74 Lakh to Rs. 185.00 Lakh. The proposed units are located in Sardarshahar MCA of Churu district (01 units @ Rs. 74.74 lakh); Churu MCA (01 unit @ Rs.95.46 lakh); Laxmangarh, Kaman, Chouhtan, Anupgarh, Raisingnagar and Banswara (10 Units @ Rs. 185.00 Lakh) of Alwar, Bharatpur, Barmer, Ganganagar and Banswara district.

It has been observed that projects for Churu, Anupgarh, Raisingnagar were considered by the EC during 2019-20 and eligible projects were approved.

The project details submitted by the State for 6 projects were shared with the Ministry of Health & Family Welfare(MoH&FW) and the MoH&FW vide their OM No. 7(15)/2020-NHM-I dated 23.11.2020 has recommended as follows:

S.N	District	MCA	Project	Cost proposed	Cost recommended by MoH&FW.
1	Alwar	Laxmangarh	Construction of	185	Recommended Day Care

			Public Health Centre Sorai		PHC at the cost of Rs. 66 lakh.
2	Bharatpur	Kaman	Public Health Centre Gadajaan	185	185
3	Barmer	Chouhtan	Public Health Centre Fagaliya, Paradiya & Etada 3 units	185	Day Care PHCs at Fagaliya & Itada have been recommended at unit cost of Rs.66 lakh. PHC at Pradiya is not recommended as population coverage is sub-optimal.
4	Churu	Sardarshahar	Public Health Centre Bhadarji Kuwan, W No 28	74.74	Recommended Day Care PHC at the cost of Rs. 66 lakh.

The SC recommended the project subject to submission of consent of the State for the norms as per the recommendation of MoH&FW.

The State was requested to convey their willingness for implementation of the project as per the cost norms of MoH&FW. The State representative informed the Empowered Committee that the project cost recommended by MoH&FW for the PHCs at Chouhtan (Barmer) & Laxmangarh (Alwar) requires reconsideration as a day care facility in these areas will not meet the requirement. They added that these PHCs are located in remote locations/rural areas, as such, the facility for normal PHC is required. The State representative, however, agreed to the revised cost as recommended by MoH&FW for **Kaman (Bharatpur) & Sardarshahar (Churu)**.

The EC asked the State to furnish proper justification with details (project cost & layout etc) for the 3 units of PHCs proposed at Chouhtan (Barmer) & 01 unit at Laxmangarh(Alwar), so that it can be taken up with Ministry of Health & Family Welfare again.

The EC approved the project for a PHC at Kaman (Bharatpur) & a day care PHC at Sardarshahar (Churu).

(g) Community Health Centres:- The State Government has proposed for construction of 2 units of Community Health Centres in Kishangarbas MCA of Alwar District and Sam MCA of Jaisalmer District at the unit cost of Rs. 525 lakh. The project details submitted by the State for projects were shared with Ministry of Health & Family Welfare(MoH&FW) and the MoH&FW vide their OM No. 7(15)/2020-NHM-I dated 23.11.2020 has recommended as follows:

S.N	District	MCA	Project	Cost proposed	Cost recommended

			by State	by MoH&FW.
				In Rs. lakh
1	Alwar	Kishangarbhas CHC, Bahadurpur	525	451
2	Jaisalmer	Sam CHC, fatehgarh	525	451

The State has conveyed its willingness for implementation of the project as per the cost norms of MoH&FW.

The SC in consultation with the State representative recommended the project.

The EC agreed to the project as per the recommendation of MoH&FW at unit cost of Rs. 451 lakh.

(h) Residential Schools:- The State Government has proposed for construction of 05 Residential Schools at the unit cost of Rs.1200 lakh and Rs. 2080.00 lakh. The proposed units are located in Kaman and Masuda MCA of Bharatpur and Ajmer district (@ Rs. 1200 lakh); Sankara, Ramgarh and Udaipur MCA of Jaisalmer, Alwar and Udaipur district (@ Rs.2080.00 lakh).

It is observed that the **projects proposed by the State in Kaman and Masuda have already been approved by the Empowered Committee in its 21st meeting held on 06.12.2019. The State informed the SC that these projects have been repeated due to some communication gaps and may be dropped.** The SC accordingly recommended exclusion of these 2 projects. It was added by the State representative that the construction work for Residential School at Masuda has started but the work at Kaman could not be started due to a court case. He informed that the stay on the Kaman project is expected to be vacated soon.

The remaining 03 Residential Schools at Sankara, Ramgarh and Udaipur @ Rs.2080.00 lakh were considered by the Committee. It was observed that the State vide email submitted the cost abstract of the Schools. It has been noticed that in the cost abstract project cost is shown as Rs.2180 lakh. The projects details submitted by State have been examined by the Consultant (Technical). The project includes Academic Block (3487 Sqm.), Girls Hostel (2000 Sqm.), Principal's Residence (154.27 Sqm.), Boys Hostel (1240.67 Sqm.), Dining Hall (1393.46 Sqm.), Lecturer Qtrs.(423.32 Sqm.) & Staff Qtrs.(280.70 Sqm.) with total Plinth area of 8979.42 Sqm.. The proposed structure is RCC Framed structure of G+2 building. The estimates have been prepared on applicable BSR of State Govt. (2019 for civil works & 2013 for Electrical work as available on date). The rates are comparable with CPWD PAR 2020 and are reasonable. The State Govt. has proposed Board charges @ 9% of the basic cost, and a sum of Rs.173.06 Lakhs are charged on this account. Since the projects are to be executed by State Govt., therefore, the board charges are not being considered for inclusion in the estimates, in view of the above, estimated cost of Rs.2006.94 lakh for each residential school is found reasonable for consideration.

The State representative informed the Committee that the schools proposed would be from Class 6 to 12 and out of the 3 Schools, one school at Udaipur will be for Girls and the other two residential schools will be for boys.

The SC in consultation with the State representative recommended the project for consideration of EC.

The project was discussed by the EC with the State representative. It was informed to the Committee that the School Education Department, Govt. of Rajasthan will run all the 03 residential schools. It was added by the State representative that the Tribal Department and SC & ST Welfare Department of the State are also running Residential Schools in the State. The State representative further informed the EC that at present the State Minority Welfare Departement is not running residential schools and that the infrastructure will be constructed under the ambit of State Minority Welfare Department and the Residential Schools will be run by State School Education Department and funds for recurring expenditure will also be provided by the Minority Welfare Department, Government of Rajasthan.

On the query of the Chair, the State representative informed the Committee that the State is presently implementing KGBV scheme for girl students through School Education Department. In the instant case, the State has proposed Girls' Residential School in Udaipur town and ther other 2 will be boys Residential Schools. The State representative informed the Committee that no similar facility is available in the MCA. Further it was observed that the Scheme of KGVB is being implemented in Educationally Backward Blocks(EBB) and the location for Girls' Residential Schools i.e. Udaipur is not an EBB.

The EC desired that it may be confirmed from MoE that whether Udaipur is an EBB and whether any KGBV has already been sanctioned in the area.

Taking cognizance of the land issue of Residential Schools at Kaman, the Chairperson, EC desired that whether State is willing to drop the project at Kaman and take one of above projects as alternate. The State representative replied that the dropping of project of Kaman is not feasible as the Work Order for the project has already been released and they expect that the land matter will be resolved shortly.

The MoE has since confirmed that Udaipur is not an EBB.

The EC considering the submission of State, approved the projects, subject to condition that the 1st instalment for the project will be released only after confirmation by State to the effect that the land has been transferred in favour of the Department of Minority Welfare & Wakf, Govt. of Rajasthan.

(i) School Buildings:- The State Government has proposed for construction of 04 School Buildings at the unit cost of Rs.74.97 lakh and Rs 250.31 lakh. The proposed units are located in Churu and Sujjangarh MCA of Churu district (03 units @ Rs. 74.97 lakh and 01 unit @ Rs. 250.31 lakh). UDISE codes for the schools submitted by the State was shared with the MIS-MoE and the following input has been received:-

S.No.	District	MCA	Component	Enrolment as per UDISE data base	Component recommended	Revised estimate **
						Amount in Rs. lakh
1	Churu	Churu	ACR-23, Library-01, Girls Toilet-7, Science Room-3, Equipment/furniture-47 at GGSSS Bagla	594	2ACRs & Girls Toilets	Not approved
2	Churu	Churu	ACR-7, Toilet-2, Equipment/furniture-7 at GUPS Van Vihar	93	2ACRs	25.09
3	Churu	Churu	ACR-7, Toilet-2, Equipment/furniture-7 at GUPS Khemka	128	ACRs eligible as building in dilapidated condition, 2 Boys Toilets.	92.51
4	Churu	Sujangarh	ACR-7, Library-1, Girls Toilet-7, Science Room-3, Toilets-6 Equipment/furniture-68 at GSS Teliyan	308	1 ACR & 2 Boys Toilets	17.26

Revised estimate includes following				
Internal WS & SI	Int. EI	Third Party QA	Ext. Development	Contingency charge
5.00%	12.50%	1.00%	6.00%	5.00%

The projects were discussed with the State representative. The State representative agreed to the component recommended by MIS-MOE, except for the project proposed for GGSSS Bagla. It was added that the GGSSS Bagla is a Senior Secondary School with three stream education facility. The total enrolment of the School is 644. The State representative informed the Committee that this school is running in a Heritage Building. New School building is required to accommodate this school for future. The Chair requested the State representative to submit certificate from appropriate authority from the State regarding the status of the structure and also to update the status on UDISE data base.

The SC recommended the projects, other than GGSSS Bagla wherein the State was asked to resubmit the desired details for GGSSS Bagla and carry out updation on UDISE data base.

The projects were further discussed by the EC with State representative and it was informed to the Committee that the structure of GGSSS Bagla is not fit for school purpose. Since, the building is quite old and design is not upto requirement, it has been proposed by the State to shift the school to new building.

The EC endorsed the views of SC for requirment of updation of information on UDISE data base in respect of GGSSS Bagla.

The EC approved the projects as per the recommendation of MIS-MoE, except GGSSS Bagla.

(j) Sub Health Centres:- The State Government has proposed for construction of 16 Sub Health Centre at the unit cost of Rs. 30.00 lakh. The proposed units are located in Sam, Laxmangarh, Ramgarh, Tijara and Masuda MCAs of Jaisalmer, Alwar and Ajmer district. The project details were shared with Ministry of Health & Family Welfare (MoH&FW) and the MoH&FW vide their OM No. 7(15)/2020-NHM-I dated 23.11.2020 has recommended all the projects at the unit cost of Rs.30 lakh.

The SC recommended the projects.

The EC agreed to the project as per recommendation of MoH&FW.

(k) Toilet Block:- The State Government has proposed for construction of 01 Toilet in Govt SS, Khanderwadi at the unit cost of Rs. 10.91 lakh in Banswara MCA of Banswara district. The UDISE code for the project was shared with MIS-MoE and the project was found eligible for construction of 2 Boys Toilets & 2 Girls Toilets. The cost is found within the SBM cost norms.

The SC recommended the projects.

The EC agreed to the project.

3. The Empowered Committee approved the project and release of 1st installment of Central Share with adjustment of Central Share of Rs.967.002 lakh as Central Share for the projects listed below in the following manner:-

B. A&N ISLANDS

The UT of A&N Islands vide their letters. No.5-12/DSW-CSS-PMJVK/(Plg)/2020-21/471 dated 17.02.2021 and No.5-12/DSW-CSS-PMJVK/(Plg)/2020-21/455 dated 16.02.2021 has submitted project proposals for the MCAs of the UT under PMJVK. The total value of the projects submitted by the State Govt. is Rs.**1406.401**lakh.

2. The proposal is submitted with declaration of the UT as per Appendix-II of the guidelines on PMJVK. The projects have been recommended by the State Level Committee in its meeting held on 02.12.2019. The project details have also been received and shared with the concerned Ministry i.e. Ministry of WCD and Ministry of Sports & Youth Affairs of the Government vide OMs dated 02.03.2021.

3. The brief of the project is as under:

1. **Swadhar greh:** The UT Admn has proposed for construction Swadhar Greh at Abhdaya complex Ferrargunj MCA of South Andaman District @Rs.695.128 lakhs.The project details have been shared with Ministry of Women & Child Development vide OM no. 13/14/2021-MsDP-MOMA dated 02.03.2021 and input from MoWCD on the project is still awaited. It has been observed that Ministry of Women & Child Development is implementing a scheme for Swadhar Greh. It is provided in the scheme that a Swadhar Greh will be set up in every district with capacity of 30 women with the following

objectives: a) To cater to the primary need of shelter, food, clothing, medical treatment and care of the women in distress and who are without any social and economic support. b) To enable them to regain their emotional strength that gets hampered due to their encounter with unfortunate circumstances. c) To provide them with legal aid and guidance to enable them to take steps for their readjustment in family/society. d) To rehabilitate them economically and emotionally. The project details received from the UT has also been examined by the Technical Consultant of the Division and the following has been observed.

a. The PEs have been prepared as per State SOR supported with Analysis of rates (based on CPWD DAR). The proposals have been prepared by APWD Port blair and no centage or departmental charges are levied.

b. The proposed structure is RCC framed structure to cover plinth area at 1359.00 Sqm. The proposed structure is GF=FF (Double storey)

c. The UT has stated for consideration of Zone -V for the proposed of structural design.

d. All statutory provisions for Labour cess, EPF & ESI along with Quality assurance has been included.

e. The provisions for anticipated increase in cost during the period of Construction @ 7.5% have not been considered.

f. The estimate is in order and recommended preliminary cost works out to Rs.6,47,94,782/- (i.c 3 % contingencies) or say Rs.647.95 lakh.

The project was discussed by SC with the Director, UT Administration. It was informed to the Committee that no such facility of Swadhar Greh is available in the district. The greh will accommodate around 100 women in dual occupancy rooms. The facility will be run by Social Welfare Department of UT Administration. The deduction of the anticipated increase in the cost @7.5% was also discussed in the meeting. It was informed to the Committee that the PE has been prepared by the CPWD DAR and the amount proposed may be allowed. The SC in the consultation with technical expert recommended that the project cost proposed by the UT may be allowed with the condition that the cost will restricted to the PE or the actual tender value whichever is less as the UT will be 100% funds fro the project by MoMA. The 1st instalment of the project will be released as 50% of the PE value. However, if the actual amount of project is found to be lesser than the PE, the difference will be adjusted at the time of release of subsequent instalment. The SC recommended the project for consideration of EC.

The EC further discussed this project with Secretary, Welfare Department, UT Admn. It was informed to the Committee that this project is a new project. Presently such facility is being run by the Welfare Department in a part of Working Women Hostel. There is more demand in the UT for setting up more such facilities therefore

the proposed. The recurring cost for the project will be met out by Ministry of Women & Child Development. The Secretary, UT Admin. informed the Committee that the South Andaman where the project has been proposed does not have any facility for Destitute Women nor having any Shelter Home.

The Chair desired that the UT may furnish justification and a brief on the project component, infrastructure for implementation.

The EC deferred the project.

C. SIKKIM

The State Govt. of Sikkim vide their letter No.GOS/117/SJ&WD dated 20.02.2020 had submitted proposals under PMJVK scheme for the MCAs of the State. The total value of the projects submitted by the State Govt. was Rs. 6655.09 lakhs. The Committee considered all projects and observed that the State has proposed for 600 numbers of smart class rooms in ICDS and Schools as per standard module. Unit cost of the Smart Classroom is Rs. 2.69 lakh.

2. The 27th SC had earlier observed that use of digital screen for young children should be limited. The State may therefore consult their Health Department in this regard. Accordingly the project was deferred with the advice to the State to revisit and send a detailed proposal along with the list of schools where the smart class equipment are to be installed.

3. The State vide their letter No. 102/SJE&WD(WD) dated 10.08.2020 and subsequently through email dated 09.09.2020 from Secretary, SJ&WD, Govt. of Sikkim, has submitted additional projects for the year 2020-21 along with the deferred project. The total cost of the projects is Rs. 1950.31 lakh. The State has submitted declaration as per Appendix-II of the guidelines indicating the approval of SLC under the signature of Secretary, Social Justice & Welfare Department, Govt. of Sikkim.

4. The details of the projects are as under:-

Smart Class Solution:- The State has requested for installation of 600 units of Smart Class solution in 198 Government Schools at the unit cost of Rs.2.69 lakh. The total cost of the project is Rs.1614 lakh. The list of the Schools along-with their UDISE codes was shared with MIS-MoE. It has been observed by MoE that all these schools have previously been covered under the scheme of MoE. However, out of the 198 Schools, 163 Schools were provided ICT support under the scheme of MoE, upto the year 2015-16. These schools are Secondary & Sr. Secondary level. It has also been informed that out of these 163 Schools, 3 Schools are having less than 30 enrolments from Class 9 to 12.

The State representatives informed in the earlier meeting of EC that the computers provided under ICT scheme of MoE have since become obsolete and are un-usable. He added that the Schools are having dedicated teachers for teaching Computers, but as on date the teachers in the Schools have not been specifically trained for using Smart Class equipment. He assured the SC that the State will very soon develop a module for training of teachers for Smart Class equipment.

The SC had recommended the project for consideration of the Empowered Committee. The project was discussed in length by the 29th EC with the State representative. The EC observed that the States are proposing Smart Class projects in different formats. To streamline such projects, it is necessary that a uniform design for Smart Class Project is formulated under the PMJVK Scheme. If required, the line Ministry may be consulted to establish the most suitable design for smart Class Rooms.

However, it was observed that the State are proposing different models with different learning material depending upon practice in vague in State and priority. Accordingly, the project submitted by the State of Sikkim was resubmitted for the consideration of EC.

The EC agreed to the project with the condition that the State will strictly follow the GFR or the State Government Rules which ever are applicable for public procurement of the proposed equipment and that there should be no deviation from the rules under any circumstances. The concerned officers should ensure greater efficiency, economy, and transparency in public procurement matters and observe fair and equitable treatment of suppliers and promotion of competition in public procurement.

5. The Empowered Committee approved the projects listed below and the release of 1st installment (in Rs. lakh) of Central Share (upto 50%) to the State in the following manner:-

D. UTTAR PRADESH

I. REVIEW

It was observed that the Screening Committee has reviewed implementation of the projects approved for MCAs of Uttar Pradesh under erstwhile MsDP as well as PMJVK. The State representative informed the Screening Committee that the State & State Level Committee has reviewed implementation of the projects sanctioned so far and approved for dropping of projects for which 1st instalment of Central Share amounting to Rs.13493.172 lakh is available with the State.

II. NEW PROJECTS FOR CONSIDERATION.

The State of Uttar Pradesh vide their letter no. 231/52-1-2021 dated 29.01.2021 has submitted around 30968 units of projects related to electricity, education and health sectors for MCAs & CoV(**yet to be identified by the Ministry**) under the scheme. The total value of the project submitted by the State is Rs.159361 lakh.

2. The State Govt. vide their letter No. 1656/52-1-2020 dated 04.12.2020 has also proposed for dropping of sanctioned projects. The total amount available with State (Central Share) for these projects is Rs.13441.21 lakh. The State has submitted the list of projects proposed for dropping & the same has been taken in the data base being maintained by PMJVK division. **The State has also furnished the decision of the State Level Committee requesting this Ministry for permitting adjustment of this amount in ongoing projects.** Further, the State along with their proposal has also proposed for dropping of additional following three projects due to administrative reasons:-

S. No	Location (District Name)	Location (Block/Town Name)	EC meeting	Name of the Project	Unit Cost	Central Share	State Share	Total cost	Central Share Released.
1	Etawah	Etawah	138 EC held on 22.12.2017	Sadbhaw Mandap	120.00	72.00	48.00	120.00	36.00

2	Ghaziabad	Bhojpur	12 /PMJVK EC held on 18.01.2019	Construction of Girls Degree College	942.00	565.2	376.80	942.00	282.6
3	Pratapgarh	Mandhata	25/PMJVK EC held on 13.03.2020	CSC in place of Sadbhav Mandap	140.00	84.0	56.00	140.00	25.20
								Amount available with State(In Rs. lakh)	343.8

The total amount therefore available with the State in respect of dropped projects appears to be Rs.13785.01 lakh (Rs.13441.21 lakh+343.8 lakh). The State was requested to confirm the said amount.

The State representative informed the Committee that the State Level Committee vide Point 7 of the agenda has approved dropping of projects consisting of Central Share of Rs. 13149.373 lakh. Further, the SLC has also approved for dropping of above mentioned three projects consisting of Central Share of Rs. 343.8 lakh. Thus, the total Central Share available with the State in respect of dropped projects is Rs. 13493.173 lakh. It was informed that the SLC has requested for adjustment of this amount as 1st instalment of Central Share for new projects.

The Empowered Committee informed the State that the Ministry has recently consulted Ministry of Finance, Department of Expenditure(vide ID No. MsDP-13/36/2019-MsDP-MoMA dated 03.03.2021) for clarification whether the funds available with States/UTs in respect on non-viable projects can be used by the Ministry for new projects under the scheme. The same has been agreed by the MoF vide their OM NO. 41(24)/PFC-II/2007(Vol.II) dated 11.03.2021 wherein the DoE has said that they have no objection if Ministry wants to cancel the non-viable projects of few States and already released fund in respect of the unvaiable projects which is lying with the State Government may be used for fresh or alternate projects which are admissible as per the PMJVK guidelines.

The EC observed that the provision for dropping of proposals may be used in exceptional cases only and the State before proposing for dropping & adjustment of funds may first explore the feasibility of implementing projects by asking MoMA for necessary amendment in the approval for change the location of the project. Further, the State while submitting the projects would also ensure that the projects being proposed for surrender, were not actually held-up due to insignificant reasons. There should be proper justification for dropping of each of the projects by the State.

The EC decided that the States/UTs may be allowed to drop projects which were sanctioned in the 11th & 12 Plan period only. The State has informed that Central Share amounting to Rs. 10237.914 lakh is available with the State for un-viable projects approved in 11 and 12 plan period, and the remaining amount is related to projects sanctioned after 12th plan period.

The EC accordingly approved the adjustment of Rs. 10237.914 lakh released by the Ministry for implementation of projects sanctioned during 11 and 12 plan period. The projects of post 12th plan period proposed for surrendering, may first be considered by the State for relocation and proposals submitted accordingly to MoMA through SLC. The details of the surrendered projects amounting to Rs.10237.94 lakh is at Appendix-V.

3. Further, it was observed that the new proposals of the State of UP placed for consideration have been approved by the State Level Committee in its meeting held on 08.01.2021. The State has also furnished requisite declaration as per the Appendix-II of the guidelines on PMJVK and cost details for the projects. The total value of the projects received for the identified MCAs under the scheme is Rs.1549.93 crore. It has been observed that the State Level Committee has also reviewed the implementation of the projects and opined that only those projects for which necessary human resources have been sanctioned & provision for meeting out recurring expenses are available, will be proposed by the State for consideration under PMJVK. **Further, the SLC has also recommended change of location for 04 projects with justification, the same is detailed in Para 5 below.**

4. The proposal submitted by the State also includes identification of 179 Cluster of Villages falling in 15 districts of Uttar Pradesh. With respect to CoV, it is informed that as per the Para 5.1(d) of guidelines of PMJVK, the clusters of contiguous villages having a minimum of 25% minority population, but not falling within identified MCBs, having socio-economic or basic amenities or both below the national average will be considered as CoMCV. Cluster of villages should be within a radius of 5 KMs. The identification was to take place based on the proposal of the State/UTs. The SC however was of the view that since the Ministry is in the process of revising of the scheme for implementation wef 2021-22, as such the projects proposed for places other than identified MCAs may be kept pending for the time being.

5. The brief of the projects submitted by State is as under-

(a). Additional Class Rooms:- The State has proposed 283 projects for Additional Class Rooms in Schools at the total cost of Rs.3799.98 lakh. Out of these, 258 projects will be for Schools of Department of Basic Education and 25 projects will be for Schools of Department of Secondary Education. The unit cost for the projects varies from Rs.4.7 lakh to Rs.20.31 lakh

The State has furnished UDISE codes for the Schools and the same has been shared with MIS-MoE for their input.

The Consultant (Technical) of the PMJVK division recommended the cost projected by the State.

The SC recommended the project for Additional Classrooms as per input from the DoSE&L/MoE. It was informed that MIS-MoE has recommended ACRs for 44 Schools.

The EC accordingly approved projects for 44 Schools.

(b) Additional Class Room Blocks:- The State has proposed 3 projects for Additional Class Rooms Block in Inter Colleges of Gonda MCT at the unit cost of Rs.379.58 lakh (1 unit) and Rs.556.33 lakh (2 units). The project proposed includes construction of ACR, Library and Auditorium in Government Girls Inter Colleges.

The State has furnished UDISE codes for the Schools and the same has been shared with MIS-MoE for their input.

The Consultant (Technical) of the PMJVK division recommended the cost projected by the State.

The SC recommended the Additional Classroom Blocks as per input received from DoSE&L, MoE. It was informed that MIS-MoE has recommended ACRs for all 03 Schools. However, the School named GGIC Maskanwa (UDISE-09530511501) falls outside the MCA.

The EC accordingly approved ACR Blocks for 02 Schools only.

(c) Anganwadi Centres (54) & Creche Building(01):- The State has proposed 54 nos. of AWC buildings at a total cost of Rs.437.6 lakh. The unit cost of the project varies from Rs.7.52 lakh to Rs.12.21 lakh.

Out of these 54 units, 47 units are proposed in the MCAs of Gonda district at the unit cost of Rs.8.06 lakh; 03 units have been proposed in the MCA of Amethi district at the unit cost of Rs.7.52 lakh; 02 units have been proposed in the MCA of Sant Kabir Nagar at the unit cost of Rs.12.21 lakh; and 02 have been proposed in the MCA of Bulandshar at the unit cost of Rs.8.06 lakh.

In addition to above, one crèche building at Women Police Station in Bulandshar MCA of Bulandshar at the unit cost of Rs.4.3 lakh have been proposed by the State.

It is informed that the Ministry as per the decisions of Empowered Committee at various occasions has so far sanctioned Rs.7.5 lakh for a unit of AWC. The list of AWCs alongwith cost proposed by State, have been shared with MoWCD for the input.

It was informed to the State representative that the Ministry of Women & Child Development in the previous meeting of EC informed that there is a nodal officer for

ICDS scheme in each State/district and the SC therefore advised the State that they may furnish the consent of Nodal officers for the proposed locations.

The State representative informed the Committee that district Nodal officer for ICDS/AWCs are part of the District Level Committee who has already seen the project. However considering the remarks of SC, the State representative assured the Committee that the consent of Nodal Officer of ICDS/AWC will be furnished to Ministry.

The SC recommended the project.

The EC deferred the project till receipt of inputs from MoWCD.

(d) Government Inter Colleges:- The State has proposed for construction of 07 units of Government Inter Colleges in MCAs of Siddharthnagar (01), Farrukhabad (01), Barabanki (01), Basti (01), Bahraich (01) and Gonda (02) district at various costs ranging from Rs.380.83 lakh to Rs.529.80 lakh. Out of these 07 Schools, 03 units have been proposed as Government Girls Inter College.

It has been mentioned by the State that the sanction of the concerned line department of the State for creation of post & recurring expenditure for the GICs have been received

The cost details of project for Schools as received from State has been examined by Consultant(Technical) and following has been recommended:-

(a) GGIC at Farrukhabad:- Cost of Rs.352.80 lakh for the project has been found reasonable. The proposed building will be a 2 storey building with total plinth area of 1559.66 SQM. It was added that the Centage Charges for the project has been restricted to 6%.

(b) GIC at Basti:- Cost of Rs.478.91 lakh for the project has been found reasonable with Centage Charges@6%. The GIC will impart three stream education in Science, Arts & Commerce in Co-ed. For the proposed school, 18 schools situated in nearby areas will be the feeder schools.

(c) GGIC at Siddhartnagar:- Cost of Rs.484.10 lakh for the project has been found reasonable with Centage Charges@6%. In addition, it is observed that the Construction agency has proposed the development area as 4050 Sqm against the plinth area at GF is only 961.80 Sqm. (aprx 4.5 times). Keeping in view the type of proposed project as Institutional Building the same is considered. However, State Govt. ensured for the utilising the open space for Sports activities within the approved estimated cost as the 6033 Sqm. area has been adopted for development. It has been informed that the School **is already running in a rented building** for Class 6 to 12 and will be for Girls

only. At present 123 students are enrolled in class 11 & 12 and 142 students are enrolled in Class 9 & 10.

(d) GGIC & GIC at Gonda (2 units):- Cost of Rs.375.70 lakh for the projects has been found reasonable with Centage Charges@6%. In addition, it is observed that the Construction agency has proposed the development area as 6033 Sqm. against the plinth area at GF 1527 sqm. (aprx 4 times). Keeping in view the type of proposed project i.e. an Institutional Building, the same is considered. However, State Govt. must ensure for utilising the open space for Sports activities, within the approved estimated cost, as the 6033 Sqm. area has been adopted for development

The State has informed that the GGIC proposed for Mankapur MCA at Gonda may not be considered a (letter no.447/2021 dated 11.01.2021 of DSI, Gonda). However, the GIC for Mujhana MCB may be considered as there is no GIC in this block.

(e) GIC at Barabanki:- Cost of Rs.539.95 lakh for the projects has been found reasonable with Centage Charges@6%. It has been informed by the State that the building of the existing GIC was constructed in 1904 and 30 Class Rooms and existing Labs are in dilapidated condition.

The State was requested to furnish cost details of other GIC proposed in Bahraich details related to stream of education proposed for the school and also number of class rooms to be built.

The SC recommended the School buildings except GGIC for Gonda.

The EC in consultation with the representative of Ministry of Education, approved the projects excluding GGIC, Gonda.

(e) Furniture for Primary & Middle Schools: The State has proposed 21463 units of furniture at a total cost of Rs. 4476.77 lakh. Out of the total units proposed by the State, 20713 units will be for Schools of Department of Basic Education, Govt. of Uttar Pradesh and 750 units will be for Schools of Department of Secondary Education, Govt. of UP.

The State has also furnished the UDISE codes for the Schools and the same has been shared with MIS-MoE for their input.

The State has shared a copy of letter no. 351/68-5-2021 dated 05.03.2021 of Additional Chief Secretary, Department of Basic Education, Govt. of Uttar Pradesh addressed to Director General, School Education, Govt. of Uttar Pradesh regarding regulation of purchase of furniture for primary schools, upper primary schools etc

through GEM portal. The said letter referred to the approval accorded by PAB, MoE, Govt. of India and also conveyed norms for the furniture, cost per unit, for different levels of schools and procedure to be followed while purchasing of the same through GEM portal.

The cost & dimension for furniture prescribed in the said letter is as under:

S. No.	Classes	Dimensions in MM			Approved cost as per PWD in Rs.
		Length	Height	width	
1	01 to 02	950	460	845	3148
2	03 to 05	1250	520	900	3884
3	06 to 08	1500	580	975	4760

It is observed that the PAB approval accorded by the MoE for similar projects in its approval terms (Clause9(c)) has directed the compliance of procurement procedure as per the FMP Manual and purchase of these items only through GEM portal.

Thus the State may be advised to ensure the compliance of instructions laid down by the Department of Basic Education, State Government of Uttar Pradesh in their aforesaid reference (No.351/68-5-2021 dated 05.03.2021). Since, the cost norms for furniture varies as per the level of the school, the State may furnish a list indicating the name of the school, UDISE codes, name of MCA & district and also furniture proposed for each class. .

The SC recommended the project as per UDISE input. It was informed that 1189 Schools(1187-Primary Schools & 2- GICs) have been found eligible.

The EC agreed to the project for furniture in 1189 Schools.

(f) Industrial Training Institute:- The State has proposed for two units of ITIs in Sandia MCA of Hardoi district @ Rs. 1409.10 lakh and at Ramnagar MCA of Basti district @ Rs.1903.79 lakh.

It has been informed by the State in the minutes of State Level Committee that the necessary sanction for post creation, implementation and recurring expenditure for the projects has been obtained.

The SC in its 31st meeting while considering a similar project for the State of Rajasthan observed that the Director General of Training, Ministry of Skill Development vide their email dated 04.03.2021(Joint Director-Shri Ravi Chilukoti) has informed that for setting of ITI, the DG has framed norms which gives details of Workshop areas for different trades, class room areas, Principal rooms etc in details. v. Primary School proposed at unit cost of Rs.11.11 lakh may be considered @Rs.9.85 lakh.

The SC recommended the project subject to inputs of MoE.

It was informed to the Committee by member of TSG, MoE that the proposal has no justification and further details are required viz. details of the habitation, UDISE codes of the existing schools where upgradation of school is being proposed, land identifications etc.

The EC directed the State representative to submit revised proposals along with details/justification as desired by MoE.

(h) New Upper Primary Schools:- The State has proposed 19 new School Buildings for Upper Primary Schools situated in the MCAs of Bulandshahar(02 unit @ Rs.48.91 lakh & 18.31 lakh), Rampur (16 units @ Rs.48.50 lakh for a unit) and at Santkabir Nagar (01 unit @ Rs.258.95 lakh).

However, the State has shared cost details for Upper Primary Schools building proposed at Rs. 48.91 lakh for MCA of Bulandshahar only with the Ministry and the same was examined by the Consultant and following have been observed:

i. The estimate covers a plinth area of 253.65 Sqm at GF (134.35 Sqm.) & FF (119.30 Sqm.). The type structure not mentioned.

ii. The estimate is based on Plinth area rates, PAR 2020.

iii. The centage charges has been restricted to 6%.

iv. The recommended Preliminary estimated cost works to be Rs. 46.00 lakhs (i/c contingency & centage charges)

The SC recommended the 01 new School building at Bulandshahar subject to input of MoE.

It was informed to the Committee by member of TSG, MoE that the proposal require further details viz. details of the habitation because as per the information available with MoE in respect of Upper Primary Schools, for Rampur district, out of 1540 habitation, 1530 habitations are already covered. As such the State may review their requirement as scope for only 10 habitations for new Upper Primary Schools is available. Similar information for Bulandshar & sant kabir nagar would also be required.

The EC directed the State representative to submit revised proposals along with justification and after land is identified.

(i) Residential School-Inter Colleges:- The State has proposed for construction of 02 units of Residential Government Inter Colleges in Bhanwapur MCA of Siddharthnagar (@ Rs.866.23 lakh) and Dadri MCA of Gautam Budhnagar @ Rs.775 lakh.

The Cost details of the GIC Siddhartnagar has been received and it has been observed that the project includes construction of (i) School Building, (ii), Hostel building, (iii) Boundary Wall, (iv) Inter-locking road and (v) Boring etc. The PE is as per PWD cost norms. The School Building will have 14 Class Rooms, 02 Science Lab, 01 Chemistry Lab, 01 Physics Lab & 01 Biology Lab in total area of 833.79 SQM. The total area of the School Building is 1527.22 SQM. The cost of the School building will be 238.94 lakh.

In addition to above a G+1 Hostel building will be constructed in total area of 1095.08 SQM. The capacity of Hostel will be 100 and cost will be 161.74 lakh.

The PE also consists of charges for MS Gate, Boundary Wall for both Hostel & School-985 Mts, Cattle trap, RWH, Boring Pump, Handpump, Blackboard, CC Road, Interlocking Tiles, Open surface drain, landscaping, additional work for Science lab, Soil testing, survey of land, external electrification, Agency Charge@ 6.8%, cost of furniture & lab equipment with GST, Contingency & GST.

It was informed by the State that the proposed School will be of Class 9 to Class 12 and will be a co-ed School.

The Consultant Technical has also examined the project and opined that the cost of Rs. 841.17 lakh with condition that (i) the centage charge will be considered @6.875% and (ii) rate for boundary wall will be @Rs.6800/mtrs.

The State has informed that the proposed School will be the only residential school in the area to be run by Social Welfare Department. There are 13 Upper Primary Schools situated in 10 Kms area of the proposed location wherein around 1421 students are enrolled.

The project for GIC Siddhartnagar was recommended by the SC.

The EC requested the State to furnish details of the project with justification.

The EC deferred the project.

(j) Residential Schools (Kasturba Gandhi Balika Vidyalaya): The State has proposed for construction of 02 units of KGBVs at Gesri & Pachperwa MCAs of Balrampur district at the unit cost of Rs.109.33 lakh.

The State has submitted PE for the project which indicates the cost of **109.33 as the cost of Hostel** for the KGBV. The Hostel to be constructed in this cost will be a G+2 structure with plinth area of 295.95 SQM at Ground Floor and 252.55 SQM at First Floor. The ceiling height of the building will be 3.15 Mtrs. The PE includes provisions for Earthquake Resistance, Internal & External Water Supply, Electrification (E&I), Centage Charge@6.875% and 2% contingency.

The cost details furnished by the State via email was examined by Consultant(Technical) and the same was found reasonable.

The SC recommended the project, subject to input of MoE. The MoE has raised certain observation which have been shared with the State Govt. for clarification.

The EC requested the State to furnish the details of the project with justification. The EC deferred the project.

(k) Toilet Blocks for Primary & Middle Schools: The State has proposed 69 units of project for construction of toilet blocks at the total cost of Rs.1384.25 lakh Out of these total units proposed by the State, 51 projects will be for Schools of Department of Basic Education@Rs.1112.94 lakh and 18 projects will be for Schools of Department of Secondary Education@Rs271.31 lakh. The projects are located in MCAs of Amethi, Ayodhya, Baghpat, Fatehpur, Meerut, Raebarelli, Sidharthnagar and Sitapur district.

The cost of the toilet blocks varies project to project. The State may be requested to furnish the school wise details of the project viz. WC, Urinal proposed in each school & cost of project in each school. This is required to assess the cost reasonability of the project.

The State has furnished the UDISE codes for the School and the same has been shared with the MIS-MoE for their input.

The SC requested the State to furnish the school wise details of the project viz. WC, Urinal proposed so that the cost of the project in each school can be worked out.

The SC recommended the project as per UDISE input.

It was informed that as per UDISE data base 44 Schools are found eligible for the project.

The EC agreed to the project.

(l) Change of location: The State has submitted proposal for change of location for following projects on the basis of non-availability of suitable land for project implementation and the sanction of line Department of the State in respect of post creation & recurring expenditure. The projects, for which the sanction of the State's line Department for post creation & recurring expenditure has not been obtained, have been proposed by the State for dropping.

The approval of the State Level Committee for proposed changes have been obtained and it has been noticed that there is no change in the MCA of the project and only change of the land/village have been proposed. The Screening Committee may consider the following changes:-

SL No	District	Approved Project	EC	Approved Location	Proposed Location	Reason for Change	
1	Amethi	Government ITI @Rs.1283.66 lakh	99 EC on MsDP 2015-16	Block: Bazar Shukul. Vill: Sathin	Block: Bazar Shukul. Vill: Mahona West	Non-availability of land	Sanction of line department available.

The SC discussed the above proposal with the State representative and viewed that the projects sanctioned during 2015-16 may be feasible for implementation at the same cost. This was agreed by the State representative. Accordingly, the SC advised the State representative to revisit their proposal for change of location for ITI as detailed at S.No. 1 & 3. The SC recommended the proposal for change of location for AWC & DWS mentioned at S.No.2 & 4.

The EC was informed by the Sh BL Meena, Principal Secretary, Govt. of Uttar Pradesh, that the State vide the order 271/52--2020 dated 12.03.202 has sanctioned implementation of 227 units PLC based Potable Water Supply. Out of these 227 units, 37 units have been implemented and rest 190 units could not be implemented due to non-availability of proper place. The State is willing to implement these left

out units in other MCAs covered under PMJVK. The approval of the SLC has also been obtained in its meeting referred above as additional agenda.

It was informed to the Committee that the EC in its 12th meeting held on 18.01.2019 & 31.01.2019 had approved 748 unit of projects for Potable Water Supply(PLC based).

The EC directed the State representative to expedite the implementation of all left out units.

The EC agreed to the proposal for change of location with the condition that no claim for cost escalation will be entertained and that all the changed locations will be in identified MCAs under PMJVK, and the responsibility of ensuring that the changed locations are strictly as per the identified MCAs of PMJCK, will lie with the State officials. Further the State will by 05.04.2021 share with MoMA the exact locations of all the changed PLCs for record purpose.

6. The Empowered Committee approved the projects listed below and the release of 1st instalment (in Rs. lakh) of Central Share (upto 50%) to the State in the following manner:-

E. MANIPUR

I. REVIEW OF PROJECTS

It was observed that the Screening Committee has reviewed the implementation of projects approved for MCAs of Manipur State under erstwhile MsDP and PMJVK and it was informed by the Secretary, Govt. of Manipur that the State has released the corresponding State Share for all projects and no release of State Share is pending with the State except of Rs.124 lakh.

Further ,the State also informed that the 509 units of projects which have been shown pending are related to distribution of bicycles. The State has decided that the procurement of bicycles will be carried out at State level and assured the EC that this project will be completed in the next 2 months.

The EC observed that during 2018-19 & 2019-20, 40 units of Sadbhav Mandaps were sanctioned for MCAs of the State and it was informed that the foundation stone for 24 units were laid down by the Hon'ble PM in March, 2018. The EC enquired the present status of the project.

The State representative informed the Committee that construction for 12 units have been completed out of which 06 units have been inaugurated by the Hon'ble Chief Minister of the State of Manipur. Construction work for 04 units has been completed upto 75%. Nearly 50% construction for remaining 8 Sadbhav Mandaps has also been done. The State representative assured the EC that construction for 1 Sadbhav

Mandap will be completed by May and 9 units will be completed by June, 2021.

The Chair directed the State representative to ensure early completion & commissioning of projects. The State representative was also requested to furnish report on the Sadbhav Mandaps indicating the status of construction on a fortnightly basis to MoMA.

II. NEW PROJECTS FOR CONSIDERATION.

The proposals of Government of Manipur which were deferred by the Empowered Committee in its 30th meeting held on 28th Dec, 2020 were again taken-up by the Screening Committee. The justification sought by the EC has been received from the State Government vide their letter no 20/12/2020-MA(PMJVK) dated 16th January, 2021.

2. It may be noted that the State Government vide their letter no. 20/1/2019-MA(PMJVK) dated 19.10.2020 submitted projects related to Education, Health, Drinking Water & Sanitation, Sports and Skill development for identified Minority Concentration Areas (MCAs) of 13 Districts (6 districts have been bifurcated from the existing 7 districts of Manipur). The proposals have been approved by the State Level Committee in its meeting held on 12.10.2020. The State has also furnished declaration as per Appendix-II of the guidelines on PMJVK.

3. The following projects deferred by the 30th Empowered Committee are placed below for consideration of the Empowered Committee on PMJVK for approval:-

a. **Hostels at Schools:-**The State has proposed to construct one hostel each in 13 schools at Chandel, Senapati, Tamenglong, Thoubal and Ukhrul. Each hostel will be 50-bedded at a unit cost of Rs. 250 lakh each. The total cost of civil construction is Rs. 160 lakh. The State has added 12.5% of civil construction for IEI, 10% for internal water supply, 0.5% for fire-fighting, 5% for land development, 5% for external electrification, Rs. 1, 70,000 furniture per classroom, 12% GST, 3% contingency, 2% for third party monitoring and 1% labour cess. The cost is as per MSR 2017. The details of number of students enrolled in each school have been received. Further, the State has informed that these hostels will greatly benefit the minority students who come from the interior part of the minority concentration areas. The 29thScreening Committee observed that the State Govt. has prepared Preliminary estimates on the basis of detailed measurements updated with State SOR. Minor modifications have been carried out in respect of applicability of service components such as Internal Water supply & sanitary Installation & Third Part Quality Assurance. Accordingly the recommended Preliminary estimates cost works out to be Rs.247.70 lakhs per unit. The State representative confirmed to the Committee that all recurring expenditure in respect of Hostels will be borne by the State. **The SC recommended 13 Hostels at the unit cost of Rs.247.70 lakhs each. The** 30th EC had desired for some

additional information including justification for need of each hostel, availability of facilities and teachers if enrollment in school increases, access issue. The details of the projects, including access in the area and justification submitted by the State Government are as under:-

Ukhr	Chingai	50-bedded Girl	1408020	147	Paocham High School is one of the		

ul		s' Hostel at Paocham H/S(Class VI-X)	4101		remote schools in Ukhrul District situated near Nagaland border. Paocham High School is fostering to more than 179 students from all the nearby villages who require shelter as there are no rented houses in the village. Therefore, construction of hostel building is very much required. There are 81 boys students and 66 Girls students.	46.22	75.63
	Ukhrul	50-bedded Youth Hostel at Jessami Hr. Sec. School(Class X-XII)	14080202501	120	Jessami is situated in a very remote bordering area of Myanmar and Nagaland without proper network of transport communication. Jessami Higher Sec School being the lone educational institution is fostering students from around 15 surrounding villages with no hostels and student strength of 173. Hence, construction of new hostel is highly recommended. There are 54 boys students and 66 Girls students.		

The SC observed that the Gross Access Ratio in the areas where the schools have been proposed is quite low and therefore there is requirement of Hostels for these schools in the said areas. However, it was observed that in the case of Chandel district the State had referred to the parameters of SSA i.e. availability of school within a distance of 1 KM and the representative of the State was therefore asked to revisit the distance norms for Secondary & Higher Secondary Schools. However keeping in view the low GAR, the requirement of hostel in these schools appeared to be justified.

The State Government considering the observation of the SC on the hostel project for Chandel districts has submitted the details of the schools which are falling within 3KM & 5 KM from the proposed locations of the Hostel requested for approval of the projects of Hostel. The details submitted by the State is as under:-

The SC recommended the project for 12 hostels at the unit cost of Rs.247.70 lakh. The project for Lambung Govt. Jr. H/S at Chandel MCA(UDISE-14060100301) was not recommended considering its low enrolment.

The SC recommended the project.

It was observed by the EC that the GAR for Thoubal where two units have been proposed is around 90% and that enrolment at Chandel DHQ is only 67. **It was viewed that 10 hostel may therefore be considered (excluding hostels at Thoubal & Chandel DHQ)**

The EC considering the above agreed for 10 units of hostels as per the revised estimate i.e. Rs. 247.70 lakhs each.

(b) Hunar Hubs:- The State has proposed to construct 13 Hunar Hubs at each of the district headquarters. Cost abstract/cost estimate and drawings have been received. As per cost abstract, cost for Stalls, Artisan Workshops and Approach Road is Rs. 254.23 lakhs. The State has included 12% GST, 3% for contingency charge, 2 % Consultancy and 1% labour cess. The total cost of each Hunar Hub is Rs. 3 crore. Further, the State has informed that the Hunar Hubs will help the local artisan to showcase their products, as well as, serve as market for the artisans and master craftsmen.

The Screening Committee in its previous meeting observed that the project details submitted by the State have been examined by the Technical Expert of the Ministry and cost of Rs.289.48 has been found reasonable for the projects with following comments:-

"Minor corrections for provisions of Internal water supply & installation, External Electric connections have been made. Further the state Govt has proposed GST @12% but by reverse calculations the effective GST is 14.05% and same has been corrected. The preliminary estimated cost of Rs.289.48 lakhs is recommended for approval of CE as under:

Sl. No.	Item of Works	Amount in Rs	No. Of Unit	Total Amount in Rs.

1	Stalls	1,61,49,198.00	1	1,61,49,198.28

The Committee observed that the State has proposed for a Hunar Hub in each of the districts. The Screening Committee observed that as of now the project may be implemented on a pilot basis. The Secretary, Govt. of Manipur endorsed the requirement and opined that at least three-four units may be sanctioned.

The SC in its previous meeting recommended 3 Hunar Hubs and requested the State to submit their priority of location.

The State has informed that the 3 Hunar Hubs proposed for Ukhrul, Tamenglong and Chandel Dist Hqrs may be considered for approval. The justifications for each of the Hunar Hubs have been received. The details are given below:

1. **Justification of Hunar Hub at Ukhrul District HQ:-** Ukhrul district is inhabited by the Tangkhul tribe and is famous for their Nungbi potteries. Tangkhuls have a strong cultural and economic tie with other tribes of Manipur. The Tangkhuls also have their own unique Red and Blue shawls, which are in much demand in the state. Bamboo and wood handicrafts are also being made in the district. They have own traditional style of cooking, which are much in demand in the state. The Hunar Hub will provide a platform to showcase the above dresses, potteries, handicrafts and food delicacies. These will also enhance the tourist potential in the district as well as the state. Photos of some of the products and dresses have been received.

2. **Justification of Hunar Hub at Tamenglong District HQ**: Tamenglong is home to 8 (eight) tribes – Rongmei, Liangmei, Zeme, Inpui, Chiru, Khasi, Kuki and Hmar. These tribes have their own unique traditional dresses, culture, handicrafts, and distinct food delicacies. The opening of Hunar Hub in the district will open avenues for all of these tribes to showcase their products, especially cane and bamboo handicrafts, traditional dresses and food delicacies. These will also enhance the tourist potential in the district as well as the state. Photos of some of the tribes have been received.

3. **Justification of Hunar Hub at Chandel District HQ**:Chandel District is one of the Aspirational District of the Country. It is inhabited by 9 Naga tribes (Anal, Lamkang, Moyon, Monshang, Chothe, Maring, Kim, Tarao, Aimol) and 5

Kuki tribes (Thadou, Zou, Mate, Vaipohei, Ani). They follow Christian religion. Besides, there are pockets of Meetei, Tamil and Muslim communities. Some of the tribes number only a few thousands in population and a critical stage has been reached for protecting and preserving their way of life. In fact, the Tarao tribe number only 950 in population. Each of these tribes have their own cultural identity including language, traditional dresses, handicrafts, dwelling house designs, culinary habits, social settings, etc. The Hunar Hub at the District HQ will serve as a platform for exchanging cultural ideas, promoting and preserving traditional handicrafts, cuisines and folk arts. These would not only enhance the tourist attraction of the district, and provide livelihood to the people, but they will also help in integration for a peaceful co-existence. Photos of some of the tribes have been received.

The SC considering the justification submitted by the State recommended the project for re-consideration of EC.

The EC discussed the project with State representative. It was informed to the Committee that the infrastructure will provide a place to the artisans to showcase & sell their products. It was added that all three Hunar Hubs have been proposed at district headquarters where no such facilities are available. The proposed location has potential for utilisation of this facility as these areas specially Ukrul is a tourist place.

The Chair desired that the State may submit a concept note on (a) how the proposed locations will be connnected to other places to facilitate the growth of economic & art activities, (b) how the project will be implemented, and (c) how the recurring expenditure for the infrastructure will be met out.

The EC deferred the project.

(c) Augmentation of Luwangpokpa Cricket Stadium at Luwangsangbam, Koirengei Cluster: The State, vide letter no A-12/1/2020-MA dated 12th January, 2021 requested for approval of Augmentation of Luwangpokpa Cricket Stadium at Luwangsangbam, Koirengei Cluster. The Koirengei Cluster was identified as a minority Cluster for implementation of PMJVK, by the Empowered Committee during its 9th meeting held on 29.11.2018.The Concept Report for the project has been received and is forwarded to Ministry of Sports vide letter no MsDP-13/3/2020-MsDP-MOMA dated 13.01.2021, for their comments/recommendations.

The State submitted that the estimate for the project has been prepared by Chief Engineer, MOBEDS for a total cost of Rs. 6244.78 lakhs on the basis of the Schedule of rate of Manipur PWD(MSR 2017, PWD), Plinth Area Rate, 2018 of Manipur PWD and Plinth Area Rate 2019 of CPWD and in lines with the Guidelines and Specifications for Sport Infrastructure, Sport Authority of India(SAI).

The components of the project includes Construction of Guest House, Player's dormitory, Changing room(Swimming Pool), Gym(G+1), Swimming pool,

Filteration Tank, Underground Sump, Cricket Stadium Gallery, Indoor Cricket Complex, Land Development of Criket Playground, Compound Fencing, Gate, Cement Concrete Drain and Improvement of Parking Area.

As per abstract of cost submitted, the State has added 10% for Internal Water supply & Sanitary installations, 12.5% for IEI, 5% for Land Development, 5% for External Electrification,0.5% for Fire Fighting and on all the civil construction cost, the State has added 12% GST, 3% for contingency charge, 2% for consultancy charge/Third party monitoring charge, 1% for labour cess.

The Ministry of Sports vide their OM No. 9-5/MYAS/MDSD/2019(Vol-II) dated 15.03.2021 has furnished their comments on the project and stated that the **Ministry of Sports recommends the project from sport utility angle** subject to feasibility under the guidelines of the scheme especially in terms of the cost of the projects. Also, while finalizing the new project, MoMA may take into consideration the discipline wise existing sports infrastructure facilities in the concerned area and take a decision accordingly.

The cost details submitted by the State was accordingly examined by the Consultant(Technical) of the PMJVK and it has been noticed that the PE covers 12 components as briefed under:

S.No.	Component	Estimated cost in Rs. lakhs
1	Guest House, Players Dormitory, Changing Room & Gym.	2094.52
2	Swimming Pool	310.00
3	Filtration Plant	33.36
4	UG Tank	10.35
5	Stadium Gallery	26.17
6	Indoor Cricket Stadium	503.06
7	Land Development	199.57
8	Compound wall	263.29
9	Gates	32.41
10	CC Drain	110.43
11	Misc. Improvement of parking	71.19
Total		6244.78

1. The plinth area adopted by state Govt. for Guest House, Dormitory etc. & Swimming Pool has been proposed as 4000 Sqm. & 200 Sqm. respectively. It seems that the preliminary drawings have not been prepared till date as indicated by the quantity of Plinth area in the respective components.

2. Some of the components are based on PAR 2020, PAR 2019 & SOR(available in state as on date). On review it is seen that the preliminary rates of PAR

2020 are inclusive of GST. It is therefore, the GST has not been applied to the components based on PAR 2020 only.

3. The provisions for Internal Water supply for the components; swimming pool, Filtration Plant, UG Tank has not been considered as the same is proposed at two sub-components. Further, the same is also deleted in respect of Indoor Stadium being not integral part of the component, the sub-components for providing Firefighting system has been considered.

4. The component for providing Indoor Cricket Complex with roofing etc. is not justified, Therefore, omitted.

5. The proposed rates for Compound wall & CC Drain works are on higher side. The rates as per PAR2020 (duly updated with Cost Index of 149.71 with base as 100) are recommended.

In view of the above, the preliminary estimated component wise have been re-worked by the Technical Consultant of PMJVK. The brief is given below:-

S.No.	Component	Recommended PE cost in Rs. lakhs
1	Guest House, Players Dormitory, Changing Room & Gym.	1768.02
2	Swimming Pool	220.40
3	Filtration Plant	38.12
4	UG Tank	11.35
5	Stadium Gallery	2044.02
6	Indoor Cricket Stadium	0
7	Land Development	230.03
8	Compound wall* (850 M)	133.57
9	Gates	15.28
10	CC Drain* (850M)	12.05
11	Misc. Improvement of parking	74.92
	Total	**4547.76**

* The rates have been adopted as per PAR2020 ((Rs.8600.00 +49.71%) per metre

The Screening Committee considering the observations of the Ministry of Sports, enquired the details of existing sports infrastructure in the proposed location. The State informed that the facilities available in nearby areas includes (a) Main Stadium with 8 lane synthetic track, (b) Hockey stadium, (c) cycle velodrom, (d) swimming pool, (e) Multipurpose Indoor Stadium, (f) Shooting range, (g) Boxing Arena, (h) Hostels, (i) Rowing Canal, and (j) Archery ground.

The SC has sought consent of the State on the revised estimate as worked out by Technical Consultant of PMJVK.

The EC discussed the project with the State representative and noted that the State is willing to undertake the project as per the revised cost & components suggested by PMJVK division.

Further, the representative of Ministry of Youth Affairs & Sport informed the Committee that the MoYA&S supports the project from sports point of view.

The EC desired that the project since being an ambitious project of the State, the project needs more clarity so that a complete & proper infrastructure comes into existence.

The EC opined that the State should send a DPR for the project, with proper justification for each component.

The EC deferred the project.

(d) Hostels at Colleges:-The State has proposed to construct one 50-bedded boy's and one 50 bedded girls' hostel each at Moreh College, Tengnoupal District at a unit cost of Rs. 5 crores each. The hostel will have 16 rooms with 3 beds , 1 room with 2 beds, warden room, kitchen cum store room, pantry, dining hall, office, visitor room, medical room, care taker room, separate toilets and baths.

The cost for construction has been prepared on the basis of the plinth Area Rate, 2018 of PWD Manipur. It is a RCC framed structure of 2 storey building, with a total area of 959.28 sqm. The rate of construction is Rs. 38,243 for ground floor and Rs. 28,180 per sqm for 1st floor. The total cost of civil construction is Rs. 3.18 crores.

The State has added 10% for internal water supply& sanitation installation, 12.5% for IEI, 5% for land development, 5 % for external electrification, 0.5% for fire fighting, 12% GST, 3% on contingency, 2 % for consultancy and 1% for labour charge. The State has submitted the cost estimates and drawings for the project.

Further, the State has informed that Moreh is one of the only two big towns after the District HQ in the new bifurcated district of Tengnoupal (erstwhile, Chandel District). As such, the Moreh College, the only Government College at Moreh, caters to a large catchment area for higher education in the district. The two hostels will greatly benefit the minority student from the interior part of the district

The Screening Committee in its previous meeting considered this project and observed the following:-

(i) The estimate submitted by the State have been examined by technical expert of Ministry and it has been noticed that the State Govt has submitted the approved Plinth Area Rates by Chief Engineer.

(ii) The average Plinth Area Rate is Rs.33,211 per SQM. On this cost of services components have been added as per PAR and minor modifications have been done.

(iii) The Technical expert has recommended Preliminary Estimated Cost of Rs.489.59 lakhs.

(iv)The State representative submitted that the Moreh college is not having hostel facility and it is a co-ed college with all three streams of education.

(v). The college is only college situated in a remote place near the international border.

(vi). The State has also confirmed that the College is a Govt. College.

As desired by the SC, the State also submitted the enrolment details of students in past 3 years as given under:

Sl. No	Academic year	Class	Male	Female	Total
1	2018-19	XI & XII (Commerce, Arts and Science), Undergraduate	475	539	1014
2	2019-20		470	433	903
3	2020-21		419	439	858
	Total		1364	1412	2776

Considering the enrolment details and the requirement of the college especially its location i.e. being near international border, **the SC recommended the project at the unit cost of Rs. 489.59 lakh.**

The EC agreed to the project.

(e) Infrastructure Development of Pettigrew College at Ukhrul District:-The State has proposed to develop infrastructure for Pettigrew College at Ukhrul District HQ at a total cost of Rs. 8812.39 lakhs.The State has submitted that, Pettigrew College is the second oldest college in Manipur (established in 1965). The condition of the five decades old buildings of the college has been worsening over time. Currently, the college is merely an administrative block with few non habitable hostels and inadequate docile classrooms. The buildings serving as laboratories are remnant structures of the previous government departments which is 55 years old. Also, there are no infrastructure to accommodate college level sports and extra-curricular activities. Considering the prime status of the project in the state of Manipur, there is a dire need for up-gradation of its infrastructure. The proposed building component will fill the gap that is immensely needed currently, with state-of-the-art facilities providing adequate classrooms, sanitation, accommodation and other basic necessities for functioning a modern institution. The components of the project are Main Gate, compound wall, Academic block, Administrative block, 100-bedded boys

and girls hostels, Teachers and Staff Quarters – Type A, Teachers' and Staff Quarters – Type B, Activity Centre, Canteen block, Retaining wall and Site development.

The total cost for civil construction is Rs. 83.13 crore. The State has added 3% contingency, 2% consultancy and 1% Labour cess.

The project was considered by the Screening Committee in its previous meeting and the following were observed:-

1. **The** project details submitted by the State have been examined by the Technical Expert of the Ministry and the project cost has been recommended as Rs. 6830.43 lakh instead of Rs.8313 lakh with following comments:-

S.No.	Item of works	Type of Structure	Observations	Cost
1	Proposed Construction of Academic Block	Type of Structure- RCC framed Nos. of storey- G+1 Plinth Area =4400 Sqm.	PE submitted by State Govt. has been updated with PAR 2020 and Cost Index @ 49.71%.	175235570.00

11	Proposed Main Gate	RCC gate as per drawing. Details of measurements done by State Govt.		1545602.00
			Total amount in Rs.	**68,30,43,145.00**

The project includes construction of 100 bedded hostels, Staff Quarters and boundary wall involving substantial amount.

The Screening Committee requested the State to furnish information on the enrolment of students in the college, streams being taught, whether the college is graduation level or PG level, existing number of hostels for boys/girls, number of hostellers, existing quarters for faculty and staff etc. Further, the Screening Committee opined that the State may reassess their requirement and viewed that the boundary wall &Teachers and Staff Quarters may be considered by the State from alternate sources.

The Screening Committee deferred the project for further inputs from the State.

Justification submitted by the State Government for the project:

Pettigrew College, Ukhrul district (estd. 1965) is the second oldest college in Manipur. The condition of the five decades old buildings of the college has been worsening over time. Currently, the college is merely an administrative block with few non-habitable hostels and inadequate docile classrooms. The building serving as laboratories are remnant structures of the previous government departments which is 55 years old. Also, there are no infrastructure to accommodate college level sports and extra-curricular activities, a necessity of modern education.

Currently, there are 1008 students enrolled for the UG courses (Arts & Science streams). However, the potential enrolment of students in the college is much higher since many students from the district are studying either at the Valley colleges of Manipur, or even outside the state due to lack of higher education facilities in the district. To give an indication, from the data maintained by the State government, during the COVID lockdown, there are 1046 students from Ukhrul and adjacent Kamjong districts (Kamjong district was bifurcated from Ukhrul district in 2017). Considering the prime status of the project in the state of Manipur, and in Ukhrul district, there is a dire need for up-gradation of the infrastructures of Pettigrew College. The proposed building components will fill the gap that is immensely needed currently to deliver a modern system of education to the students. The component-wise justifications for the proposed constructions are given below:

Sl. No.	Components	Type of Structure	Cost (in Rs.)	Justification
1	Proposed Construction of Academic Block	RCC framed Nos. of storey – G+1 Plinth Area = 4400 sqm	17,52,35,570.00	The existing academic buildings are five decades old and are in dilapidated condition, worsening over time.
2	Proposed Construction of Administrative Block	RCC framed Nos. of storey – G+1 Plinth Area = 1984 sqm	7,90,15,312.00	
3	Proposed Construction of 100 bedded Hostels (1 Boys' and 1 Girls')	RCC framed Nos. of storey – G+2 Plinth Area =	16,85,96,530.00	The existing hostels are in dilapidated condition. Moreover, they could

		2116.65 sqm		accommodate only about 40 students each whereas the student enrolment is 1008 (Boys – 460, Girls – 548).
4	Proposed Construction of Canteen	RCC framed Nos. of storey – G Plinth Area = 333 sqm	1,34,65,872.00	No such buildings exist currently. Moreover, these will serve as places for students' interaction and networking.
5	Proposed Construction of Activity Centre	RCC framed Nos. of storey – G Plinth Area = 104.94 sqm	55,50,201.00	
6	Proposed Construction of Teacher and Staff Quarter Type A (Unit – 1 No.)	RCC framed Nos. of storey – G Plinth Area = 1485.60 sqm	6,10,99,425.00	There are no faculty's quarters and only 2 twin Type B quarters for staffs. Moreover, being a government college, faculties and staffs are posted from other districts and finding accommodation in the congested Ukhrul town is a big problem.
7	Proposed Construction of Teacher and Staff Quarter Type B (Unit – 6 Nos.)	RCC framed Nos. of storey – G Plinth Area = 1485.60 sqm	9,59,65,860.00	
8	Proposed Site Development Works	PAR 2020, @7.5% of Building Costs	4,76,54,173.00	Necessary since the terrain is hilly.
9	Proposed Construction of Retaining Walls	RCC & RR Masonry Retaining Wall. Length – 45m	81,34,600.00	
10	Proposed Construction of Compound Wall	1500 mm height with MS grill i/c steel gates/ wicket gates. Length – 2000m	2,67,80,000.00	Necessary for security purposes and to ensure a safe and secure academic environment free from unwanted agents.
11	Proposed Construction of Main Gate	RCC gate as per drawing.	15,45,602.00	
		Total Amount (in Rs.)	**68,30,43,145.00**	

Considering the existing status of the building, the SC ask the State to show the recent photographs of the college. The SC, however did not agree to Staff Quarters. The State provided the photographs of the existing infrastructure, and the same was found in dilapidated conditions. **The SC recommended the project (@Rs.5259.79 lakh) excluding Staff quarters.**

The project was further reviewed by the EC. The photographs of the existing infrastructure was also seen by EC.

Considering the photographs of the existing infrastructure & submission of the State **the EC viewed that** the Acadamic Block & two Hostel blocks of 100 bed each of the project may be approved. **Accordingly, the cost for these two components were worked out alongwith other necessary items as per details given below:-**
