Therefore, the Central assistance would be provided by the Ministry to NAWADCO which in turn would release the funds to the SWBs for strengthening the legal & accounting section as well as for training & administrative cost of SWBs. Chapter: III

POLICY INITIATIVES AND REFORM MEASURES

Policy Initiatives

There are six communities – Muslims, Christians, Sikhs, Buddhists, Parsis and Jains—notified by the Government as minority communities under Section 2 (c) of the National Commission for Minorities Act, 1992. As per the 2011 Census, these minority communities constitute 19.32 per cent of the total population. The Ministry has taken several policy initiatives to ensure equitable distribution of development benefits to the minorities, especially in education, employment opportunities, and living conditions, some of which are given below:

(i) Prime Minister's New 15-Point programme for the Welfare of Minorities

The Prime Minister's New 15 Point Programme for the Welfare of Minorities has the objectives of (a) Enhancing opportunities for education; (b) Ensuring an equitable share for minorities in economic activities and employment, through existing and new schemes, enhanced credit support for self-employment, and recruitment to State and Central Government jobs; (c) Improving the conditions of living of minorities by ensuring an appropriate share for them in infrastructure development schemes and; (d) Prevention and control of communal disharmony and violence.

An important aim of the new programme is to ensure that the benefits of various government schemes for the underprivileged reach the disadvantaged sections of the minority communities. In order to ensure that the benefits of these schemes flow equitably to the minorities, the new programme envisages location of a certain proportion of development projects in minority concentration areas. It also provides that, wherever possible, 15% of targets and outlays under various schemes should be earmarked for minorities.

(ii) Educational Empowerment

(a) The Ministry has laid emphasis on educational empowerment of the students belonging to the minority communities through various scholarship schemes, namely, Pre-matric, Post-matric, Merit-cum-means scholarships and Maulana Azad National Fellowship schemes. The Maulana Azad Education Foundation (MAEF) provides grants for improving infrastructural facilities to private educational institutions etc. and scholarships for meritorious girl students belonging to the minority communities for study in classes XI and XII.

(b) Under the Scheme of 'Interest subsidy on educational loans for overseas studies-Padho Pardesh', interest subsidy is provided on educational loans availed from banks for higher studies abroad.

(iii) Employment opportunities

(a) The scheme “USTTAD (Upgrading the Skills and Training in Traditional Arts/ Crafts for Development)” has been launched on 14th may, 2015 to preserve rich heritage of traditional arts/crafts of minorities and build capacity of poor traditional artisans/craftsmen. The trained traditional master artisans/craftsmen may be involved in training of minority youths in traditional arts / crafts, particularly dying arts/crafts. In addition, the scheme aims to establish linkages of traditional arts/ crafts with the national and international market and ensure dignity of labour. Recently, the Ministry has engaged National Institute of Design (NID), National Institute of Fashion Technology (NIFT) and Indian Institute of Packaging (IIP) as Knowledge Partners under the scheme. These Knowledge Partners will intervene in the Minority Clusters for (a) design intervention, (b) product range development, (c) packaging (d) exhibitions, fashion shows and publicity through media, (e) tying up with e-marketing portals for increased sales and (f) brand building, in order to preserve and develop traditional arts/crafts.

(b) Maulana Azad National Academy for Skills (MANAS) has been established as a Special Purpose Vehicle (SPV) by NMDFC (a CPSE under Ministry Minority Affairs) on 11/11/2014 for providing an integrated & unified institutional arrangement, to meet all Skill Development/ Skill Up-gradation needs of the Minority communities in the country. The Academy has established an All India Level training framework for Entrepreneurship & Skill Development Programme (E&SDP) based on PPP model, for imparting skill training to minority population determined by the market demand. The outcome of the training is to ensure self/wage-employment to atleast 80% of the trainees, with greater emphasis on self-employment & Entrepreneurship. This is done by providing concessional credit linkage to the trainees from NMDFC and other financial institutions, keeping in view the special needs of vast majority of Muslim youth enrolled in Madarsas.

MANAS has launched an innovative scheme of integrating Traditional Educational Institutions of Minorities like Madarsas/ Maktabas/ Monasteries, with skill development initiative of MOMA through MANAS. Under this initiative MANAS establishes Skill Development Training Centers in Traditional Educational Institutions of Minorities like Madarsas for providing free of cost training to Madarsa Students and other members of the minority communities in the local area. The skill sets selected are based on the local market demand, for skilled manpower.

(c) A new scheme ‘**Nai Manzil**’ has been launched on 8th August, 2015. The scheme will benefit the minority youths who do not have a formal school leaving certificate, *i.e.*, those in the category of school-dropouts or educated in the community education institutions like the *Madarsas*, with a view to enabling them to seek better employment in the organized sector and thus to equip them for better lives. Scheme has been approved with the cost of Rs. 650 Crore for five years. 50% funding has to come from the World Bank. The World Bank has approved the funding of US\$ 50 million.

(d) The Central Government on 10.02.2015 has increased the Authorized Share Capital of National Minorities Development and Finance Corporation (NMDFC) from ₹1,500.00 crore to ₹3,000.00 crore. With increase in Authorized Share Capital and revised shareholding pattern of NMDFC, the Central Government is in position to

contribute its share capital to the NMDFC and the NMDFC will be in position to leverage more funds for lending schemes for self-employment.

(e) Seekho aur Kamao (Learn & Earn), the skill development initiative, is a placement linked skill development scheme, being implemented since 2013-14, for poor minority youths. The scheme aims at upgrading the skills in various modern/traditional trades depending upon their qualification, present economic trends and market potential, which can earn them a suitable employment or make them suitably skilled to go for self-employment. The scheme ensures placements of minimum 75% trainees, out of which at least 50% placement is in organized sector. A Management Information System (MIS) for the skill development scheme "Seekho aur Kamao" has been started by the Ministry. This portal captures details regarding Project Implementing Agencies (PIAs), trainees, location of trainings, their placement and post placement tracking. It will bring transparency and efficiency in implementation of the programme.

(f) Free Coaching & Allied scheme has been revised to cover training and improve its impact. The scheme provides for earmarking 30% benefits for girls.

(iv) Area Development Programme

Minority Concentration Districts (MCDs) were identified in 2007 on the basis of substantial minority population and relative backwardness in terms of socio-economic and basic amenities indicators. Thus, MsDP was launched as a special area development programme. The objective of MsDP is to bridge the development deficits in socio-economic status and availability of basic amenities in the identified MCDs. It is implemented through the State Governments /UT Administrations.

In order to sharpen the focus on minority concentration areas, the unit of planning has been now kept as minority concentrated blocks/towns instead of district. The programme has now identified 710 blocks and 66 towns falling in 196 districts for implementation during the 12th Plan. Further, 13 clusters of contiguous minority concentration villages (having at least 50% minority population) would also be considered, for implementation of this programme.

(v) Women Empowerment

Ministry of Minority Affairs has started implementation of the scheme for "Leadership Development of Minority Women" with an objective to empower and instill confidence in women, by providing knowledge, tools and techniques for interacting with Government systems, banks, and intermediaries at all levels so that they are emboldened to move out of the confines of home and community and assume leadership roles and assert their rights, collectively and individually, in accessing services, facilities, skills and opportunities besides claiming their due share of development benefits for improving their lives and living conditions. Empowerment of women *per se* is not only essential for equity, but it also constitutes a critical element in the fight for poverty reduction, economic growth and civil society strengthening. Ministry has launched Online Application Management System (OAMS) on 20.08.2015. The entire process of submission of applications for implementation of the scheme, scrutiny, sanction and

release of funds by the Ministry has been made online. This system aims to simplify the procedure and also ensures transparency in the whole process of selection and empanelment of the organizations. Moreover, the entire training details will be kept in public domain.

(vi) Computerization of Records of State and UT Waqf Boards.

The scheme of computerization of records of State and UT Waqf Boards will introduce transparency, enhance efficiency of the Waqf Boards to allow them to monitor their auqaf, update property data bases, prevent encroachments, monitor incomes from waqf properties, fight legal cases on time and streamline record keeping and management. The software for the computerization process has been developed by the National Informatics Centre in consultation with the Ministry. Central Waqf Council has been designated as Implementing Agency.

(vii) Strengthening of State Waqf Boards

The Plan scheme for strengthening of SWBs has been formulated to strengthen the Waqf Boards resulting a more transparent and accountable administration and management of their waqf properties and allow improvement in income generation attaining self-sufficiency. This would also help them in removal of encroachment from waft properties by strengthening their enforcement wing. The Central assistance would be provided during the 12th Plan period, i.e. during the period the State Waqf Boards are expected to become self-sufficient with surplus income generation. Further, such funds would be provided subject to certain conditions that will ensure that the functioning and institutional capacity of the State Waqf Boards improve their income generation and become self-sufficient. Improvement in their capabilities will facilitate enhancement in their income that will reduce, and over the period of time, eliminate their dependence on outside financial support. The scheme is to be implemented through National Waqf Development Corporation Ltd. (NAWDCO). Therefore, the Central assistance would be provided by the Ministry to NAWDCO which in turn would release the funds to the SWBs for strengthening the legal & accounting section as well as for training & administrative cost of SWBs. The assistance will also be provided to strengthening the mechanism for removing illegal encroachment on waqf properties.

Reforms/ Steps for Improvement.

The following steps have been taken for the improvement of the ongoing Schemes:-

(I) National Minorities Development & Finance Corporation (NMDFC):

- a. NMDFC implements its lending schemes through State Channelizing Agencies (SCAs) nominated by respective State Governments/ UT Administrations.
- b. Ministry implements a performance based scheme for Grants-in-Aid to State Channelizing Agencies (SCAs) through NMDFC for strengthening their infrastructure and operations.
- c. NMDFC has also been directed to examine the possibility of tie-ups with banks as alternative channels to enhance outreach.

d. NMDFC has also raised the annual family income eligibility criterion up to Rs.6.00 lakh per annum to enhance outreach. Moreover, the quantum of loan amount under Term Loans, Micro Finance and Educational Loan have also been increased. Quantum of loan under Term Loan scheme has been increased from ₹10.00 lakh to ₹30.00 lakh while under Micro-Finance scheme, it has been increased from ₹50,000/- to ₹1.50 lakh per member of a Self Help Group. Under Education Loan scheme, the quantum of loan has been increased from ₹5.00 lakh to ₹20.00 lakh for domestic courses and from ₹10.00 lakh to ₹30.00 lakh for courses abroad.

It will bring transparency and efficiency in implementation of the programme.

Moreover, the entire training details will be kept in public domain.

(IV) MANAS has launched an innovative scheme of integrating Traditional Educational Institutions of Minorities like Madarsas/ Maktabs/ Monasteries, with skill development initiative of MOMA through MANAS. Under this initiative MANAS establishes Skill Development Training Centres in Traditional Educational Institutions of Minorities like Madarsas for providing free of cost training to Madarsa Students and other members of the minority communities in the local area. The skill sets selected are based on the local market demand, for skilled manpower.

(V) Monitoring of progress of various schemes and programmes:

Ministry of Minority Affairs places special emphasis on monitoring and evaluation of schemes and programme being implemented by the Ministry for which comprehensive multi-level system of monitoring of its programmes has been evolved. Salient features of the monitoring mechanism are:

- (a) Monitoring mechanism is in-built in each scheme to ensure that objectives are achieved.
- (b) Implementation of Central Sector Plan Schemes and Centrally Sponsored Schemes are monitored through periodical progress reports received from State Governments/implementing agencies, indicating financial and physical progress of implementation of schemes.
- (c) The progress of implementation of programmes /schemes is reviewed with concerned State Governments/UT administrations/Agencies/Organizations.

- (d) The progress of the Prime Minister's New 15 Point Programme for Welfare of Minorities is reviewed every quarter by the Ministry, on half-yearly basis by a Committee of Secretaries, and thereafter a report is submitted to the Cabinet. - (e) Multi-Sectoral Development Programmes (MsDP) in Minority Concentration Districts (MCD) has comprehensive multi-level system of monitoring. MsDP is monitored by committees in the district, States and Central levels.
- (f) Utilization Certificates, audited accounts and other requisite reports thereon by implementing agencies are pre-requisites for release of second and subsequent installments.
- (g) Social audit is enabled by placing the list of students awarded scholarships and photographs of assets created under MsDP in the website of the Ministry and States/UTs. Hyperlinks are provided on the website of the Ministry (<http://www.minorityaffairs.gov.in>).
- (h) From the year 2015-16, a dedicated scholarship portal i.e. National Scholarship Portal (NSP) under URL: www.scholarships.gov.in. for applying online scholarship has been introduced for Pre-matric, Post Matric and Merit -cum-means based scholarship scheme for students belonging to minority communities.
