

OFFICE MEMORANDUM

Subject: Minutes of the 86th meeting of the Empowered Committee held on 19.06.2014 under the Chairmanship of Secretary, Ministry of Minority Affairs to consider and approve the Multi-sectoral Development Programme Plans of Bihar, West Bengal, Uttar Pradesh and Karnataka.

The undersigned is directed to forward herewith minutes of the above mentioned Empowered Committee meeting held on **19.06.14** under the Chairmanship of Secretary (Minority Affairs) for information.

(U.K. Sinha)

Under secretary to the Govt. of India
Telephone: 011-24364283

To:

1. Ministry of Finance, (Secretary, Department of Expenditure), North Block, New Delhi
2. Advisor (Social Sector), Planning Commission, Yojana Bhawan, New Delhi
3. Secretary, Ministry of Women & Child Development, Shastri Bhawan, New Delhi.
4. Secretary, Ministry of Labour & Employment, Shram Shakti Bhawan, New Delhi.
5. Secretary, Ministry of Rural Development, Krishi Bhawan, New Delhi.
6. Secretary, Department of Drinking Water Supply, CGO Complex, New Delhi.
7. Secretary, Ministry of Health & Family Welfare, Nirman Bhawan, New Delhi.
8. Secretary, Department of Higher Education, Shastri Bhawan, New Delhi.
9. Secretary, Department of School Education and Literacy, Shastri Bhawan, New Delhi

Copy for necessary action:

1. Principal Secretary, Minority Welfare Department, Haj Bhawan, 34 Hardinge Road, Patna, Bihar
2. Principal Secretary, Minority Welfare & Wakf Department, 4th Floor, Babu Bhawan, Lucknow, Govt. of Uttar Pradesh
3. Secretary, Minorities Affairs and Madrasah Education, NABANNA, Govt. of West Bengal, Howrah
4. Principal Secretary, Minority Welfare, Haj & Wakf Department, Vikasa Soudha, Govt. of Karnataka, Bangluru.

MINUTES OF THE 86th MEETING OF EMPOWERED COMMITTEE UNDER MULTI-SECTORAL DEVELOPMENT PROGRAMME HELD ON 19TH JUNE, 2014 UNDER THE CHAIRMANSHIP OF SECRETARY, MINISTRY OF MINORITY AFFAIRS.

The 86th Meeting of the Empowered Committee (EC) for Multi-sectoral Development Programme (MsDP) was held on 19th June, 2014 under the Chairmanship of Secretary, Ministry of Minority Affairs, to consider and approve the project proposals with regard to the Minority Concentration Blocks (MCBs)/Minority Concentration Towns (MCTs) received from State Governments of, Bihar, Uttar Pradesh, Karnataka and West Bengal. The representatives of Ministry of Health & Family Welfare, Ministry of Labour & Employment, Ministry of Rural Development attended the meeting. The officials from Govt. of Karnataka were also present in the meeting. The officials from other States also attended the meeting through video conferencing. A list of officials present in the meeting is annexed as annexure - I.

2. **Progress on website:** The progress of implementation of MsDP is reported on quarterly basis to the Delivery Monitoring Unit (DMU) in PMO (Prime Minister's Office) and the status of implementation of various projects in terms of funds released by the Ministry of Minority Affairs and utilized by the State/UT; number of works sanctioned, completed and works in progress is regularly monitored. These details and photographs of works are placed in the Ministry's website for transparency. State Governments/UT Administrations are required to review the implementation on quarterly basis; ensure that Central funds are released to the districts within one month of sanction; State share (wherever applicable) released along with the Central funds; ensure that the executing agencies start the construction works at the earliest, and complete the construction works within the scheduled period.
3. **Adhering to guidelines and eliminating duplication:** States/UTs should ensure that the proposals sent have the approval of the State Level Committee of MsDP / mission director of CSS concerned in order to ensure that the proposal, in terms of specification, norms, standards etc., is in accordance with the guidelines of the scheme concerned and that duplication has been ruled out. The responsibility for eliminating duplication of work and avoiding double counting of a scheme under two funding sources vested with both the district authority and the State Government. Accounts under MsDP should be maintained separately and Central Ministry concerned informed of assets created in respect of CSS topped up under MsDP.
4. **Centrally Sponsored Scheme (CSS) guidelines:** MsDP provides that there would be no change in guidelines of any existing Centrally Sponsored Scheme (CSS) under implementation in such districts for which this programme would provide additional funds. However, the provision under Indira AwasYojana (IAY) guidelines for making separate allocation for

Scheduled Castes (SC) or Scheduled Tribes (ST) will not be followed under MsDP. The entire number of units sanctioned under MsDP would be given to BPL households, from minority communities as well as other communities, in order of the serial number in the approved wait list without making separate allocation for Scheduled Castes (SC) or Scheduled Tribes (ST).

4.1. **Aganwadi Centre:** Where ever Aganwadi Centre has been approved, it should be ensured to follow the norms of Ministry of Women and Child Development that the minimum area of AWC would be 600 sq. feet with a sitting room for children/women, separate kitchen, store for storing food items, child friendly toilets and space for children to play, with drinking water facility.

5. **Timely release of funds:** The sanction letters of the Ministry stipulate that funds should be released to the district/implementing agency within a month's time, but the States/UT have been generally taking much time in releasing funds to the district/implementing agency. State shares, wherever applicable, are not released along with the Central funds by some States. Prompt release of funds was advised to ensure that works are started at the earliest.

6. **Utilisation Certificate:** For release of second installment, utilization certificate (UC) is required. The UCs would need to be accompanied by QPR showing physical progress. The Utilization Certificates of the 2nd instalment should also be submitted by the States/UTs to the Ministry.

7. **Sample testing and quality control:** Quality control was to be ensured through regular and frequent field visits and by testing samples of the construction work for which funds would be sanctioned by the Ministry on receipt of request from the State concerned. All the States/UTs were advised to carry out field visits, quality control tests and review all works under MsDP to ensure that the shortcomings do not take place in their State/UT.

8. **Inclusion of Members of Parliament in State and district level committees:** Members of Parliament (MP) and Member of Legislative Assembly (MLAs) have been included in the State and district level committees for implementation of the Prime Minister's New 15 Point Programme for the Welfare of Minorities which also serves as the committee for MsDP. MLAs are also to be nominated on the Committees by the State Government. It should be ensured that they are invited to attend the meetings of the district and State level committees.

9. **Display boards:** Para 19 of the scheme of MsDP provides for a 'display board' which should have- Name of the project/scheme printed followed by "Multi-sectoral Development Programme (MsDP), Ministry of Minority Affairs, Govt. of India." For projects with longer construction period, in addition to above, the name of implementing agency, date of sanction of the project, likely date of completion and estimated cost of the project should be printed on the

display boards. States/UT should ensure this and put up a permanent display on completion of each project.

10. **General conditions applicable to projects approved by the Empowered Committee**

For approvals given by the Empowered Committee, including in-principle approvals, the Principal Secretary/Secretary of State's/UTs and the District Collectors/representatives were advised to note that the following conditions would apply to all projects under MsDP. State Government/UT administration concerned should ensure that the following have been complied with:-

Approval of the State department concerned/Mission Director for Centrally Sponsored Scheme (CSS) concerned have covered the following –

- (a) **Need** for having the proposal sanctioned under MsDP.
- (b) **Duplication has been eliminated.**
- (c) Proposal is as **per norms, specifications, layout design, funding norms and cost norms of the CSS guidelines** concerned.
- (d) **Separate accounts for schemes under MsDP will be maintained** and details sent to the Central Ministry concerned for maintaining proper record of assets and avoiding double counting and duplication.
- (e) **Estimates have been prepared as per Schedule of Rates (SOR)** of the State Government and have been **approved by a competent engineering department** of the State Govt.
- (f) **Staff is available** for functioning unit or will be provided for new unit.
- (g) **Recurring expenditure** would be provided by the State Government.
- (h) **Land is available and/or will be made available by the State Government in villages/locations having the highest proportion (percentage) of minority population.**

11. **Review meetings of Oversight committee in State, and State and district level committees:**

The scheme of MsDP envisages quarterly review meetings by the State and district level committees for implementation of the Prime Minister's New 15 Point Programme for the Welfare of Minorities which also serves as the review committees for MsDP. Quarterly review meetings for State level committee/State Oversight Committee and district level Committee should be held and copy of the meeting notice should be sent to the Ministry to enable a

representative to attend State Level meetings as envisaged under MsDP. It should be ensured that Members of Parliament nominated in such Committees are invited to attend the meetings.

12. **Photographs:** Photographs of completed works and works in progress indicating type of asset, name of location/village and date should be placed in the MIS-MsDP web page and officials from the State and districts were impressed upon the need to have photographs, in digital format sent by email to **Shri U.K. Sinha, Under Secretary in the Ministry-ujjwal.sinha@nic.in**. The photographs are required for release of second installment.

13. The Chairman (EC) emphasized that the benefits accrued by the implementation of MsDP should go to the Minority Communities properly. Therefore, not only location of the assets in the areas having substantial minority population is important, but it is also equally important to see that the assets created are actually imparting benefits to the minorities. The State Government was impressed upon to propose the locations of projects under MsDP accordingly.

Item No.-A Uttar Pradesh

A Skill development training proposal has been received from Govt. of Uttar Pradesh on Skill Development Programme for 35,482 trainees at the total cost of Rs. 77.00cr. for 2014-15 under MsDP. The Skill Development Programme will be implemented by the Uttar Pradesh Skill Development Mission (UPSDM) which is a society having a Governing council, Steering Committee and State and District Level Executing Committees. Under UPSDM, training would be provided through Private Training Partners (PTP).

- (i) **Selection of PTP:** The selection of PTP would be done through a transparent process wherein Request for Proposal (RFP) shall be issued for empanelment of Private Training Partners. Apart from this, the Government operated institutions such as ITI and Polytechnics would be automatically eligible for undertaking skill development training activities
- (i) **Mobilization, Pre-Counselling and Registration of Candidates:**
Each of the empanelled PTP shall undertake awareness creation in its assigned districts. This would be followed by pre-counselling of the candidates wherein the candidates would be counseled on their training needs, career options and career planning. Since there are numerous courses available across sectors, proper counseling of the candidate helps him/her in selection of right courses suitable to his/her aptitude.
- (ii) **Key Programme Parameters:** The PTP shall form a batch of maximum 20 candidates. A trainer-trainee ratio of 1:20 shall be required to be maintained.
- (iii) **Courses:** The skill gap study in State was carried out by National Skill Development Corporation (NSDC). On the basis of discussions with organizations such as NSDC, National Skill Development Authority (NSDA) and recommendations by several

PTPs, industry associations, Principals of ITIs and Polytechnics etc. State Govt. further informed that there are 283 courses across 34 sectors in which training is being imparted. Out of which 233 are Skill Development Initiatives – Modular Employable Skills (SDI-MES) based courses.

The duration of these courses ranges from 240 Hours to 1150 Hours. Each of the courses has two components i.e. Core Skills and Soft Skills. The Core Skills have been derived primarily from SDI-MES courses, Sector Skill Councils, job roles and consultations with training providers. The training modules shall be aligned with National Occupational Standards (NOS) and National Vocational Education Framework (NVEQF). Soft Skill comprised of work readiness, English language, Communication Skills, IT & Computer Skills.

Cost structure and Training Fee

The courses across the identified sectors have been classified into three categories alongwith the training fee:

Sl. no.	Cost Category	Training Fee
1	Category A- High Cost Intensive	Rs. 30 per hour
2	Category B- Moderate Cost Intensive	Rs. 27 per hour
3	Category C- Low Cost Intensive	Rs. 24 per hour

- (iv) **Assessment and Certification:** UPSDM is in the process of empanelling individual assessors and assessment agencies through a RFP for conducting independent assessment. Certification to be provided in NCVT/SSC to the candidates for the trades in which they have been trained.
- (v) **Placement criteria:** Any employment that provides a fixed wage/remuneration or a contractual agreement of minimum 1- year duration that specifies wage pay-outs dependent on piece-meal work basis. For a candidate to be considered as placed, his remuneration should not be below the minimum wages of the state in which he has been placed or Rs. 6000 per month whichever is less. Under UPSDM, a minimum wage employment of 60% has been mandated and rest could be self-employment. Especially, in Uttar Pradesh, youths from minority community are more inclined towards self-employment oriented trades. Around 10% of the training cost is linked to the placement of minimum target. In addition, **there is incentive for Skill Training Organizations of maximum of Rs. 3,000 per placed candidate for achieving over 75% placements.** A six monthly performance review has also been kept as a part of the Agreement with the Skill Training Organizations wherein achievement of placement target shall be closely monitored.

The placement incentive shall be paid to the PTP only after a candidate has completed twelve months in his/her place of employment. To ascertain completion of twelve months in place of employment, salary slips from the employers for three months would be required to be provided.

EC questioned the rationality of granting cost of uniform under MsDP. The State Govt. informed that the cost of uniform is born by other schemes of Centres also and it would be discrimination if the candidates are not provided uniform under MsDP. EC agreed to grant the cost of uniform also. **Further, the State Govt. informed that the uniform would bear UPSDM logo and slogan. EC directed that the under the logo 'Sponsored by MsDP', should be written.**

(vi) **Budget requirement**

Considering the scheme structure of MsDP, the budget requirement for implementation of programme in 2014-15 has been worked out as under:

		Proposed charges
1	Average Training Duration	450 hours
2	Average Training Cost	Rs. 25 per Trainee per Hour
3	Assessment & certification Cost	Rs. 1600 per Trainee
4	Uniform Cost	Rs. 1000 per Trainee
5	Batch placement	100 % achieved
6	Placement incentive	Rs. 3000 per Trainee
7	Training cost	Rs.16850
8	Average post placement support	Rs. 4300 per trainee
		Rs. 21,150 per trainee

Notes:

- (i) Average training duration has been assumed to be 450 Hours including 100 hours of soft skills.
- (ii) Average training cost under UPSDM is INR 27 per trainee per hour. The permissible cost for MsDP is INR 25 per trainee per hour based on SDI. The differential shall be met by State Skill Development Fund (SSDF).
- (iii) Assessment cost, Uniform cost, TA/DA (Boarding & Lodging cost) and Food and To & Fro charges has been considered as provided under UPSDM.
- (iv) The batch placement has been assumed to be 100%. Hence, the placement incentive (to be paid to the PTP) is INR 3000 per placed candidate.

- (v) For average post placement support it has been assumed that all candidates are BPL, 20% of the candidates shall be placed within the district of their residence, 30% within UP but outside their district of residence, and the rest outside UP.

State Govt. was requested to send the details of Rs. 9000 proposed for boarding and lodging cost of one candidate.

Govt. of U.P. proposed for training of 226 candidates in 154 Blocks and Towns as per the list attached at Annexure. Cost of training per candidate would be Rs. 21,150 as elaborated above and the total cost of Skill Development Training in 154 Blocks & Towns would be Rs. $21,150 \times 226 \times 154 = 7361.20$ lakh.

After consideration the EC agreed to the proposal of the State Govt. and also approved release of 50% of the Central share as per the following:

(Rs. In lakh)

Blocks+Towns (list at annexure)	Candidates	Per trainee cost	Total cost	Central share	State share	50% of central share
154	226	21,150	7361.20	7361.20	Nil	3680.60

Item No. (B) Bihar

The EC took note of the following information furnished by the State Govt. regarding availability of land, cost etc. as given below:

- (i) (a) It has been ensured that all the locations proposed have atleast 25% minority population in its catchment area.
(b) It has been ensured that all the school where ACRs, Labs and Hostels are proposed have at least 25% enrolment of the minority students.
- (ii) The cost estimates proposed for the different works/projects are as per the standardized cost derived on the basis of norms/design prescribed by the concerned Ministry for that particular work.
- (iii) It has been ensured that there is no duplication of the work with any scheme of the Central Government or a State Government and the concerned Director/Mission Director has been consulted in this regard.
- (iv) The land for all the construction activities is available.
- (v) The maintenance and the recurring cost related to the assets proposed in this Plan will be borne by the State Government.
- (vi) The plan proposals has been recommended by the Block/District/State Level Committee for PM's New Point Programme.

(I) Proposals of ACRs and hostels in Madarasas

The Empowered Committee observed that the Bihar Govt. has proposed a number of hostels in madarasas and also a number of ACRs in madarasas. EC wanted to know the progress of the construction of assets already approved for madarasas in Bihar. It was briefed that during 11th Five Year Plan, 549 ACRs were approved in 149 madarasas. During 2012-13 also 1157 ACRs were approved in 274 madarasas. The State Govt. informed that the pace of progress in construction of ACRs in madarasas is slow because there are problems of land availability and transfer of land to the Govt. The State Govt. also informed that the present proposals are for State controlled and regulated madarasas having affiliation to the Madarsa Boards. Management of these Madarasas is by Madarsa Board. Regarding hostels, EC noted that there is no clarity on arrangement for operation and maintenance of hostels in madarasas. Operation of hostel would require staff as well as recurring cost to be provided. EC requested State Govt. to clarify these aspects on hostels in madarasas before these projects can be considered for approval. Also, considering the slow progress in ACRs in Madarasas already sanction, EC decided to approve ACRs for only very needy madarasas as large number of approvals would only lead to locking up of funds without any progress.

- (a) **Land issue for Madarasas:** The Empowered Committee clarified that the asset will be created on the land of Govt. If the land in question is not Govt. owned, the land will be transferred to the Govt. before execution of the project. The State Govt. agreed to this.

(II) Proposal of Additional Primary Health Centres (APHC) and Health Sub-centres (HSC):- State Govt. had proposed APHC and HSC at the unit cost of Rs. 114.07 lakh and Rs. 22.86 lakh respectively. The Ministry has requested to rationalize the cost comparing it with the cost approved earlier by the EC. State Govt. agreed to revise cost for construction of APHC and HSC at a unit cost of Rs. 98.00 lakh and Rs. 23.86 lakh for conventional concrete structure.

This Ministry had also approved APHC and HSC in 2013-14 at a unit cost of Rs. 95.99 lakh and Rs. 15.57 lakh. State Govt. wanted to revise the cost as the sanction was given at the fag end of 2013-14 and a request to revise the cost has been sent. The issue was discussed in the meeting and EC agreed to revise cost for APHC and HSC sanctioned in 2013-14 i.e. Rs. 98.00 lakh and 23.86 lakh respectively for a conventional civil structure of concrete.

(III). Cost of Hostels: It was noticed by the EC that the 50 bedded hostels in Govt. Schools has been proposed at a very high cost of Rs. 260.725 lakh. The EC requested to rationalize the cost comparing it with the cost approved earlier by the EC. The State Govt. sent the revised cost of 50 bedded hostel at unit cost of Rs. 196.00 lakh. The cost again seems to be very high. 50 bedded hostel were approved in Bihar at the unit cost of Rs. 120.00 lakh during 2012-13. If 12% per year increase in cost is taken, the total cost comes to Rs. 150.00 lakh. EC decided to approve this cost for the hostel. If more fund is required, the State Govt. may bear the additional cost.

(IV). **Anganwadi centres:** State Govt. had proposed unit cost of Anganwadi centres at the rate higher than Rs. 4.50 lakh which is prescribed rate by Ministry of Women and Child Development. EC approved the unit cost @ Rs.4.50 lakh. The approval of Anganwadi Centres is subject to the condition that the minimum area of AWC will be 600 sq. feet with a sitting room for children/women, separate kitchen, store for storing food items, child friendly toilets and space for children to play, with drinking water facility, as per the revised norms of AWC.

(V) **Construction of High Schools:** Discussing the agenda, the State govt. informed that 32 locations have been identified as per the availability of land and minority population for construction of high schools. The district wise list was given by the State Govt. It was requested to sanction the high school on these locations only. It was found that high schools at 30 locations fall in districts under consideration by the EC on that day. EC approved the high schools at these 30 locations.

(VI) EC observed that without exact location, approval of ACRs projects cannot be given. State Govt. was requested to send location for all such projects.

(VII). **Hunar Programme :-** The Govt. of Bihar has proposed Skill training through 'Hunar' scheme which has been undertaken by an autonomous body Bihar Open Schooling and Examination Board (BBOSE). In the proposal of the body, the BBOSE has invited expression of interest from NGOs and selection has been done as per criteria decided as given below:

1. NGO should be registered.
2. NGO should not be blacklisted from any Government organization or department/agency
3. The NGO should be able to invest at least two months cost on the training on
4. The NGO should have proper infrastructure and communication and fax facility. On the basis of the terms the 69 NGO has been selected;

BBOSE would conduct examination and provide result as well as certification. Average cost per students will be Rs. 3000 per students and total no. of minority girls is 14, 165. Total cost is 424.95 lakh. **Cutting and Tailoring, Dress making ; Computer Literacy are most popular trades in which training would be imparted.**

It is not clear whether the trades are covered under Modular Employable skills (MES) courses which are approved by National Council for Vocational Training (NCVT). Placement of the trainees has not been guaranteed. NCVT certification has not been mentioned. EC advised to State Govt. to exercise the proposal in light of these aspects.

Item C -West Bengal

The EC considered the project proposals of Skill Training Programmes submitted by the State Govt. of West Bengal in respect of Minority Concentration Blocks (MCBs) of 12 districts namely, Birbhum, Burdwan, Murshidabad, Nadia, Cooch Behar, North 24 Paragana, South 24 Paragana, Uttar Dinajpur, Dakshin Dinajpur, Malda, Howrah, Jalpaiguri, Medinipur and Darjeeling of West Bengal identified for implementation of MsDP during 12th Five Year Plan under restructured MsDP. All these skill training are proposed through Govt. institutions only. EC decided to approve the projects as given below subject to the terms and conditions mentioned below:

- The proposed Training will be conducted for Modular Employable Skills (MES) which are approved by National Council of Vocational Training (NCVT). The duration of the training would be as indicated under MES. The institution would ensure that 75% of the trained candidates would get placement.

EC decided to release the 1st instalment of 50% of the central share for implementation of the projects so approved.

Item D- Karnataka

The EC took note of the following information furnished by the State Govt. regarding availability of land, cost etc. as given below:

- i. (a) It has been ensured that all the locations proposed have at least 25% minority population in its catchment area.
(b) It has been ensured that all the school where ACRs are proposed and Urdu High Schools and Pre University Colleges are proposed to have at least 25% enrolment of the minority students.
- ii. The cost estimates proposed for the different works/projects are as per the standardized cost derived on the basis of norms/design prescribed by the concerned Ministry for that particular work.
- iii. It has been ensured that there is no duplication of the work with any scheme of the central Government or a state Govt. and the concerned Director/Mission Director has been consulted in this regard.
- iv. The land for all the construction activities is available.
The maintenance and the recurring cost related to the assets proposed in this plan will be borne by the State Government.
- v. The plan proposal has been recommended by the State Level Committee for PM's 15 Point Programme.

Subsequently, the State Govt. also submitted following clarifications regarding proposal:-

Construction of Anganwadi Complex: It was clarified by the State that instead of constructing single Anganwadi centre one big complex will be constructed where all the facilities will be accommodated. The land for the Anganwadi Complex is available.

Community Toilet: It was clarified by the State Govt. during EC meeting that the proposed Community Toilet Block in Hospet Town is actually toilet blocks in Govt. Urdu Minority Schools.

Skill Development: The proposal submitted by the Govt. of Karnataka for Skill development Programme for minorities was discussed at length. However the State has not submitted the details of trades; number of trainees and locations for skill training. The EC observed that the agencies for skill training should be selected in a transparent manner keeping in view their manpower, capacity of training, organizational structure and links with the industries for placement of skilled condition. A Memorandum of Understanding (MOU) may be signed by the State Govt. with the agencies also.

The EC further observed that the selection of trades and duration of training etc. should be as per norms of DGET. After training, the candidate should be given certification by an

organization recognized by the NCVT for this purpose. The training should also guarantee 75% employability of the trained candidates. The State Govt. assured to address the issues and send proposal again.

The EC considered the project proposals submitted by the State Government of Karnataka in respect of 02 Minority Concentration Blocks (MCBs) of Bidar District and 01 town of Bellary District of Karnataka for implementation of MsDP during 12th Five Year Plan under restructured MsDP. EC decided to approve the following projects, subject to the terms and conditions mentioned hereinabove, and also decided to release the 1st installment of 50% of the Central share for implementation of the projects so approved.

1. Bidar District

i) Humnabad Block

(Rs. in lakh)

S.No.	Name of projects	Sharing ratio	Unit	Unit cost	Central share	State Share	Total Cost	1 st installment
1	Additional Classrooms in Govt Schools	75:25	35	5.5	144.38	48.12	192.5	72.19
2	New Urdu High Schools in areas where there are many primary schools but the HS is far off. This will have three class rooms, one HM room, one teachers room, a composite lab and three toilet rooms, each for boys, girls and staff	75:25	4	52	156	52	208	78
3	Construction of building to High Schools (there are two Urdu high schools that are running in private building in Humnabad taluka.	75:25	2	50	75	25	100	37.5
4	Additional Classrooms in PU Colleges	75:25	4	6.5	19.5	6.5	26	9.75
Total					394.88	131.62	526.5	197.44

* A proposal for ITI in Humnabad Block has been received, however no detail about the locations and trades are mentioned, therefore this proposal has not mentioned in the agenda.

(ii) Bidar block

(Rs. in lakh)

	Total				56	24	80	28

Item (E) -Cyber Gram Yojana

Education and Skill Training Projects are the priority projects under MsDP. Providing digital skills to minority students of schools and Madarsas is closely related to the priority area of MsDP. This would help in modernization of Madarsas also. "Cyber Gram Yojana" has been included as one of the first priority of Ministry of Minority Affairs and it has been decided to take up the project under MsDP.

EC was briefed that the priority projects of MsDP have been mentioned in para 4.2 of the guidelines of MsDP. As such, the para may be amended and following lines may be incorporated at the end of the para:

"Also, for providing digital skill to minority students of Madarsas as well as schools, projects under the name of "Cyber Gram Yojana" may be taken up. Under this project, funds can be provided for hardware and software activities related to digital skilling."

Considering the above, the EC approved the proposal for inclusion of the para in the guidelines of MsDP.

The meeting ended with the vote of thanks to the chair.

A handwritten signature, possibly reading 'MJP', enclosed within a circular scribble.

4 Annexure

Table 3: Sectors/Trades in 48 Districts of UP covered under MsDP

Sl.No	Name of the District	Sector Allotted
1	Saharanpur	Automotive, Banking & Accounting, Beauty Culture & Hair dressing, Construction, Courier & logistics, Electrical, Electronics, Fabrication, Fashion Design, Food Processing & Preservation, Garment Making, Hospitality, ICT, Material Management, Health Care, Production and Manufacturing, Refrigeration and Air Conditioning, Retail, Security, Toy making, Travel & Tourism
