Ministry of Minority Affairs
Govt. of India

MINUTES OF THE 90th MEETING OF EMPOWERED COMMITTEE UNDER MULTI-SECTORAL DEVELOPMENT PROGRAMME HELD ON 02nd SEPTEMBER, 2014 UNDER THE CHAIRMANSHIP OF SECRETARY, MINISTRY OF MINORITY AFFAIRS.

The 90th Meeting of the Empowered Committee (EC) for Multi-sectoral Development Programme (MsDP) was held on 02nd September, 2014 under the Chairmanship of Secretary, Ministry of Minority Affairs, to consider and approve the project proposals with regard to the Minority Concentration Blocks (MCBs)/Minority Concentration Towns (MCTs) received from State Governments of Kerala, Jharkhand and Uttar Pradesh. The officials from other States also attended the meeting through video conferencing. A list of officials present in the meeting is annexed as annexure - I.

2. **Progress on website:** The progress of implementation of MsDP is reported on quarterly basis to the Delivery Monitoring Unit (DMU) in PMO (Prime Minister's Office) and the status of implementation of various projects in terms of funds released by the Ministry of Minority Affairs and utilized by the State/UT; number of works sanctioned, completed and works in progress is regularly monitored. These details and photographs of works are placed in the Ministry's website for transparency. State Governments/UT Administrations are required to review the implementation on quarterly basis; ensure that Central funds are released to the districts within one month of sanction; State share (wherever applicable) released along with the Central funds; ensure that the executing agencies start the construction works at the earliest, and complete the construction works within the scheduled period.
3. **Adhering to guidelines and eliminating duplication:** States/UTs should ensure that the proposals sent have the approval of the State Level Committee of MsDP / mission director of CSS concerned in order to ensure that the proposal, in terms of specification, norms, standards etc., is in accordance with the guidelines of the scheme concerned and that duplication has been ruled out. The responsibility for eliminating duplication of work and avoiding double counting of a scheme under two funding sources vested with both the district authority and the State Government. Accounts under MsDP should be maintained separately and Central Ministry concerned informed of assets created in respect of CSS topped up under MsDP.
4. **Centrally Sponsored Scheme (CSS) guidelines:** MsDP provides that there would be no change in guidelines of any existing Centrally Sponsored Scheme (CSS) under implementation in such districts for which this programme would provide additional funds. However, the

provision under Indira AwasYojana (IAY) guidelines for making separate allocation for Scheduled Castes (SC) or Scheduled Tribes (ST) will not be followed under MsDP. The entire number of units sanctioned under MsDP would be given to BPL households, from minority communities as well as other communities, in order of the serial number in the approved wait list without making separate allocation for Scheduled Castes (SC) or Scheduled Tribes (ST).

4.1. **Aganwadi Centre:** Where ever Aganwadi Centre has been approved, it should be ensured to follow the norms of Ministry of Women and Child Development that the minimum area of AWC would be 600 sq. feet with a sitting room for children/women, separate kitchen, store for storing food items, child friendly toilets and space for children to play, with drinking water facility.

5. **Timely release of funds:** The sanction letters of the Ministry stipulate that funds should be released to the district/implementing agency within a month's time, but the States/UT have been generally taking much time in releasing funds to the district/implementing agency. State shares, wherever applicable, are not released along with the Central funds by some States. Prompt release of funds was advised to ensure that works are started at the earliest.

6. **Utilisation Certificate:** For release of second installment, utilization certificate (UC) is required. The UCs would need to be accompanied by QPR showing physical progress. The Utilization Certificates of the 2nd instalment should also be submitted by the States/UTs to the Ministry.

7. **Sample testing and quality control:** Quality control was to be ensured through regular and frequent field visits and by testing samples of the construction work for which funds would be sanctioned by the Ministry on receipt of request from the State concerned. All the States/UTs were advised to carry out field visits, quality control tests and review all works under MsDP to ensure that the shortcomings do not take place in their State/UT.

8. **Inclusion of Members of Parliament in State and district level committees:** Members of Parliament (MP) and Member of Legislative Assembly (MLAs) have been included in the State and district level committees for implementation of the Prime Minister's New 15 Point Programme for the Welfare of Minorities which also serves as the committee for MsDP. MLAs are also to be nominated on the Committees by the State Government. It should be ensured that they are invited to attend the meetings of the district and State level committees.

9. **Display boards:** Para 19 of the scheme of MsDP provides for a 'display board' which should have- Name of the project/scheme printed followed by "Multi-sectoral Development

Programme (MsDP), Ministry of Minority Affairs, Govt. of India.” For projects with longer construction period, in addition to above, the name of implementing agency, date of sanction of the project, likely date of completion and estimated cost of the project should be printed on the display boards. States/UT should ensure this and put up a permanent display on completion of each project.

10. **General conditions applicable to projects approved by the Empowered Committee**

For approvals given by the Empowered Committee, including in-principle approvals, the Principal Secretary/Secretary of State's/UTs and the District Collectors/representatives were advised to note that the following conditions would apply to all projects under MsDP. State Government/UT administration concerned should ensure that the following have been complied with:-

Approval of the State department concerned/Mission Director for Centrally Sponsored Scheme (CSS) concerned have covered the following –

- (a) **Need** for having the proposal sanctioned under MsDP.
- (b) **Duplication has been eliminated.**
- (c) Proposal is as **per norms, specifications, layout design, funding norms and cost norms of the CSS guidelines** concerned.
- (d) **Separate accounts for schemes under MsDP will be maintained** and details sent to the Central Ministry concerned for maintaining proper record of assets and avoiding double counting and duplication.
- (e) **Estimates have been prepared as per Schedule of Rates (SOR)** of the State Government and have been **approved by a competent engineering department** of the State Govt.
- (f) **Staff is available** for functioning unit or will be provided for new unit.
- (g) **Recurring expenditure** would be provided by the State Government.
- (h) **Land is available and/or will be made available by the State Government in villages/locations having the highest proportion (percentage) of minority population.**

11. **Review meetings of Oversight committee in State, and State and district level committees:** The scheme of MsDP envisages quarterly review meetings by the State and district level committees for implementation of the Prime Minister's New 15 Point Programme for the Welfare of Minorities which also serves as the review committees for MsDP. Quarterly review meetings for State level committee/State Oversight Committee and district level Committee should be held and copy of the meeting notice should be sent to the Ministry to enable a representative to attend State Level meetings as envisaged under MsDP. It should be ensured that Members of Parliament nominated in such Committees are invited to attend the meetings.

12. **Photographs:** Photographs of completed works and works in progress indicating type of asset, name of location/village and date should be placed in the MIS-MsDP web page and officials from the State and districts were impressed upon the need to have photographs, in digital format sent by email to **Shri U.K. Sinha, Under Secretary in the Ministry- ujjwal.sinha@nic.in**. The photographs are required for release of second installment.

13. The Chairman (EC) emphasized that the benefits accrued by the implementation of MsDP should go to the Minority Communities properly. Therefore, not only location of the assets in the areas having substantial minority population is important, but it is also equally important to see that the assets created are actually imparting benefits to the minorities. The State Government was impressed upon to propose the locations of projects under MsDP accordingly.

Item No (A) Kerala

The proposals of Drinking Water projects in 3 blocks of Wayanad District were considered by the Empowered Committee in its 71st meeting. However it was observed that these projects would be undertaken only after approval of SLSSC. Now, the State Govt. has communicated that the projects have been cleared by the SLSSC on 14.05.2014. The proposal has been approved in SLC also.

State Govt. emphasized upon the necessity of Water Supply Projects in Wayanad District as this is a draught prone area. All the nearing villages would be benefitted by these projects.

While discussing the proposal for giving bicycles, the EC was informed that earlier the EC has sanctioned Bicycles to Meghalaya and Andhra Pradesh at the cost of Rs 2000/- .The EC requested to purchase bicycles through open tender without mentioning any brand name so that the bicycles can be purchased at the minimum price. This cost would be intimated to the Ministry. Meanwhile the proposed cost of bicycles was agreed to by the EC. Further the State

Govt. has proposed for giving Free Bicycles to 1807 minority girls' students of class 09 belonging to a BPL family. The cost of Bicycle is Rs 3950/-.

Accordingly, the EC decided to approve the projects as given below subject to the terms and conditions mentioned in the minutes, and also decided to release the 1st installment of 50% of the central share for implementation of the projects approved.

Item –B Uttar Pradesh

Some of the projects already submitted by the State Govt. of Uttar Pradesh after approval of State Level Committee but could not be taken up by Empowered Committee due to the shortage of fund. However, consequent upon the enhancement of the allocation of the blocks of Uttar Pradesh, these projects were brought before the Empowered Committee for consideration.

2. Empowered Committee suggested the State Govt. to submit abstract of cost of those projects of which cost was 50.00 lakh and more. However, EC agreed to approve these projects at the cost on which these projects were approved earlier.

3. **As regards ITI at Kithor in Meerut district**, the revised cost details with 12 trades were provided by the State Govt. The revised cost is 937.00 lakh. Area statement of administrative building and workshop have also been provided as follows:

	Total				236.25	78.75	315.00	118.13

District representative informed that the area where the proposed inter-college is to be set up has only 10.8% of minority population. However, it is mentioned in the proposal that the surrounding areas/catchment area viz. Dulha Darmayani, Birdpur No. 4 and Birdpur No.5 have substantial minority population of 46%, 46.6% and 40.81% respectively. No land is available in these areas. The EC agreed to the justification given by the State Govt. for location of the project.

Item No. (C) Jharkhand

The State Govt. of Jharkhand has submitted the project proposals in respect of 34 Minority Concentration Blocks (MCBs) and 2 Minority Concentration Towns (MCTs) identified for implementation of MsDP during 12th Five Year Plan under restructured MsDP.

State Govt. was requested to furnish the locations, minority population etc. and certification as per Appendix – II of the guidelines of Restructured MsDP. State Govt. provided partial information in respect of only 9 districts. Therefore EC considered the project proposals of 15 MCBs and 2 MCTs of 9 districts.

The EC took note of the following information furnished by the State Govt. regarding availability of land, cost etc. as given below:

- (i) (a) It has been ensured that all the locations proposed have at least 25% minority population in its catchment area.
- (b) It has been ensured that all the school where ACRs, Labs and Hostels are proposed have at least 25% enrolment of the minority students.
- (ii) The cost estimates proposed for the different works/projects are as per the standardized cost derived on the basis of norms/design prescribed by the concerned Ministry for that particular work.
- (iii) It has been ensured that there is no duplication of the work with any scheme of the Central Government or a State Government and the concerned Director/Mission Director has been consulted in this regard.
- (iv) The land for all the construction activities is available.
- (v) The maintenance and the recurring cost related to the assets proposed in this Plan will be borne by the State Government.
- (vi) The plan proposal has been recommended by the State Level Committee for PM's New 15 Point Programme.
- (vii) The projects of Water Supply Scheme has been approved by the State Level Scheme Sanctioning Committee (SLSSC).

A. Proposal related to ITI, Polytechnic and Skill Training Centre:-

The Empowered Committee observed that a number of projects like construction of ITI, construction of Polytechnics, construction of Skill and Vocational Training Centers, construction of Teacher Training Colleges, etc have been proposed without any detail of projects like, location, run by whom, who maintain the asset, what type of training given, and estimated cost. EC requested the State Govt. to submit the abstract of cost of the projects costing Rs 50.00 lakh or

more. The State Govt. was also requested to furnish Check list and abstract of cost of ITI. EC also requested to furnish certification regarding compliance of NCVT norms after preparation of DPR for ITI. These were required before giving formal approval of the projects.

B. Proposal for Educational Institutions etc.:-

It was observed that educational projects like construction of Residential Girls Schools, construction of ACRs, construction of Hostels etc. are proposed by the State Govt. for many Private institutions. The EC did not agree with such proposal and requested to the State Govt. to revise these projects as per priority of MsDP. Also the State Govt. may specify the proposals relating to Govt. institutions so that they may be taken up.

C. Residential schools:

It was not clear as to who will manage the schools. Also the State Govt. was requested to give cost breakup.

D. Proposal of construction of Health Sub Centres (HSC):-

The State Govt. of Jharkhand proposed a number of HSCs for different unit cost ranging from Rs. 20 to Rs. 50 lakh . The Ministry has requested them to rationalize the cost and also asked to follow the NRHM norms. The Secretary of the State Govt. informed that the HSCs are constructed at a unit cost of Rs. 27 lakh as per the NRHM norms of the Ministry of Health and Family Welfare, Govt. of India and requested EC to accord approval for proposed HSC at the unit cost of Rs. 27 lakh for each HSC. EC agreed to the proposal of State Govt. subject to the condition that the State Govt. would provide location of the HSCs.

On the basis of the information furnished by the State Govt., the Empowered Committee approved following projects out of the proposed projects and agreed to release the 1st installment of 50% of central share in following manner:-
