#### F.No. 3/9/2015-MsDP Ministry of Minority Affairs Govt. of India

#### MINUTES OF THE 102<sup>nd</sup> MEETING OF EMPOWERED COMMITTEE UNDER MULTI-SECTORAL DEVELOPMENT PROGRAMME HELD ON 22.09.2015 UNDER THE CHAIRMANSHIP OF SECRETARY, MINISTRY OF MINORITY AFFAIRS.

The 102<sup>nd</sup> Meeting of the Empowered Committee (EC) for Multi-sectoral Development Programme (MsDP) was held on 22.09.2015, under the Chairmanship of Secretary, Ministry of Minority Affairs, to consider and approve the project proposals with regard to the Minority Concentration Blocks (MCBs)/Minority Concentration Towns (MCTs) received from State Governments of Tripura and Mnaipur. The officials from State Governments of Tripura and Mnaipur participated in the meeting through video conferencing. A list of officials present in the meeting in person or through video conference is annexed as annexure - II.

2. **Progress on website:** The progress of implementation of MsDP is reported on quarterly basis to the Delivery Monitoring Unit (DMU) in PMO (Prime Minister's Office) and the status of implementation of various projects in terms of funds released by the Ministry of Minority Affairs and utilized by the State/UT; number of works sanctioned, completed and works in progress is regularly monitored. These details and photographs of works are placed in the Ministry's website for transparency. State Governments/UT Administrations are required to review the implementation on quarterly basis; ensure that Central funds are released to the districts within one month of sanction; State share (wherever applicable) released along with the Central funds; ensure that the executing agencies start the construction works at the earliest, and complete the construction works within the scheduled period. A computer software application called MIS-MsDP has been made operational in July, 2011 and the States/UT have been advised to ensure that data is entered by all concerned so that Quarterly Progress Report (QPR), utilization certificate and various progress reports is generated through the software.

3. <u>Adhering to guidelines and eliminating duplication</u>: States/UTs should ensure that the proposals sent have the approval of the State Level Committee of MsDP / mission director of CSS concerned in order to ensure that the proposal, in terms of specification, norms, standards etc., is in accordance with the guidelines of the scheme concerned and that

duplication has been ruled out. The responsibility for eliminating duplication of work and avoiding double counting of a scheme under two funding sources vested with both the district authority and the State Government. Accounts under MsDP should be maintained separately and Central Ministry concerned informed of assets created in respect of CSS topped up under MsDP.

1

4. The States/UTs were advised by the Empowered Committee to ensure that the catchment area of the assets created under MsDP have substantial minority population. Further the States/UTs would also ensure that the ownership of the asset created would be with the Govt/Govt body.

5. <u>Centrally Sponsored Scheme (CSS) guidelines:</u> MsDP provides that there would be no change in guidelines of any existing Centrally Sponsored Scheme (CSS) under implementation in such districts for which this programme would provide additional funds. In case schemes for individual benefits are taken up under the programme, there shall be no divergence from existing norms for selection of beneficiaries from the list of BPL families in the district, so that benefits from the additional funds flow to all BPL families and not selectively. However, the provision under Indira Awas Yojana (IAY) guidelines for making separate allocation for Scheduled Castes (SC) or Scheduled Tribes (ST) will not be followed under MsDP. The entire number of units sanctioned under MsDP would be given to BPL households, from minority communities as well as other communities, in order of the serial number in the approved wait list without making separate allocation for Scheduled Castes (SC) or Scheduled Tribes (ST).

5.1. <u>Anganwadi Centre</u>: Wherever Aganwadi Centre has been approved, it should be ensured to follow the norms of Ministry of Women and Child Development that the minimum area of AWC would be 600 sq. feet with a sitting room for children/women, separate kitchen, store for storing food items, child friendly toilets and space for children to play, with drinking water facility.

6. <u>**Timely release of funds:**</u> The sanction letters of the Ministry stipulate that funds should be released to the district/implementing agency within a month's time, but the States/UT have been generally taking much time in releasing funds to the district/implementing agency. State shares, wherever applicable, are not released along with

the Central funds by some States. Prompt release of funds was advised to ensure that works are started at the earliest.

1

7. <u>Utilisation Certificate:</u> For release of second installment, utilization certificate (UC) is required. If the UC is furnished within a period of one year after release by the Ministry, 60% UC would be required for releasing the next installment. However, if utilization is made beyond the period of a year, 100% utilization would be necessary. The UCs would need to be accompanied by QPR showing physical progress as proof of the work in progress. The Utilization Certificates of the 2<sup>nd</sup> and subsequent installment should also be submitted by the States/UTs to the Ministry.

8. <u>Sample testing and quality control:</u> Quality control was to be ensured through regular and frequent field visits and by testing samples of the construction work for which funds would be sanctioned by the Ministry on receipt of request from the State concerned. All the States/UTs were advised to carry out field visits, quality control tests and review all works under MsDP to ensure that the shortcomings do not take place in their State/UT.

9. Inclusion of Members of Parliament in State and district level committees: Members of Parliament (MP) and Member of Legislative Assembly (MLAs) have been included in the State and district level committees for implementation of the Prime Minister's New 15 Point Programme for the Welfare of Minorities which also serves as the committee for MsDP. MLAs are also to be nominated on the Committees by the State Government. It should be ensured that they are invited to attend the meetings of the district and State level committees.

10. **Display boards:** Para 16.1(ii) of the scheme of MsDP provides for a 'display board' which should have– Name of the project/scheme printed followed by "Multi-sectoral Development Programme (MsDP), Ministry of Minority Affairs, Govt. of India." For projects with longer construction period, in addition to above, the name of implementing agency, date of sanction of the project, likely date of completion and estimated cost of the project should be printed on the display boards. States/UT should ensure this and put up a permanent display on completion of each project.

## 11. <u>General conditions applicable to projects approved by the Empowered</u> <u>Committee</u>

For approvals given by the Empowered Committee, including in-principle approvals, the Principal Secretary/Secretary of State's/UTs and the District Collectors/representatives were advised to note that the following conditions would apply to all projects under MsDP. State Government/UT administration concerned should ensure that the following have been complied with:-

<u>Approval of the State department concerned/Mission Director</u> for Centrally Sponsored Scheme (CSS) concerned have covered the following –

- (a) <u>Need</u> for having the proposal sanctioned under MsDP.
- (b) **Duplication has been eliminated**.
- (c) Proposal is as <u>per norms</u>, <u>specifications</u>, <u>layout design</u>, <u>funding norms and</u> <u>cost norms of the CSS guidelines</u> concerned.
- (d) <u>Separate accounts for schemes under MsDP will be maintained</u> and details sent to the Central Ministry concerned for maintaining proper record of assets and avoiding double counting and duplication.
- (e) <u>Estimates have been prepared as per Schedule of Rates (SOR)</u> of the State Government and have been <u>approved by a competent engineering department</u> of the State Govt.
- (f) <u>Staff is available</u> for functioning unit or will be provided for new unit.
- (g) <u>**Recurring expenditure**</u> would be provided by the State Government.
- (h) Land is available and/or will be made available by the State Government in villages/locations having the highest proportion (percentage) of minority population.

#### 12. Review meetings of Oversight committee in State and district level committees:

The scheme of MsDP envisages quarterly review meetings by the State and district level committees for implementation of the Prime Minister's New 15 Point Programme for the Welfare of Minorities which also serves as the review committees for MsDP. The State level committee also acts as the Oversight Committee for MsDP. Quarterly review meetings for State level committee/State Oversight Committee and district level Committee should be held and copy of the meeting notice should be sent to the Ministry to enable a representative to attend State Level meetings as envisaged under MsDP. It should be ensured that Members of Parliament nominated in such Committees are invited to attend the meetings.

13. <u>Provision of toilets and bathrooms</u>: The EC emphasized that there should be adequate number of toilets and bathrooms and provision of water in the proposed projects.

14. The Chairman (EC) emphasized that the benefits accrued by the implementation of MsDP should go to the Minority Communities properly. Therefore, not only location of the assets in the areas having substantial minority population is important, but it is also equally important to see that the assets created are actually imparting benefits to the minorities. The State Governments were impressed upon to propose the locations of projects under MsDP accordingly.

15. All the states under consideration of the EC submitted following declaration with regard to the projects as per Appendix-II of the guidelines:-

- The land for all construction activities is available.
- It has been ensured that all locations proposed have atleast 25% minority population in its catchment area.
- The Cost estimates proposed for different works/projects are as per the standardized cost derived on the basis of norms/ design prescribed by the concerned Ministry for that particular work.
- It has been ensured that there is no duplication of the work with any Scheme of the Center /State Government and concerned Director/Mission Director has been consulted in this regard.
- The maintenance and recurring cost related with the projects will be borne by the concerned department of State Govt.
- The plan proposals has been approved by State level Committee (SLC) for 15 PP Programme.

#### (A) Tripura

The State Government of Tripura has submitted project proposals for the MCBs in Sepahijhala Unakoti, Gomati, South Tripura, North Tripura and Dhalai districts and also in the Cluster of villages of Sehaijhala and South Tripura district.

(i) School buildings: - All the schools are existing and running schools. However, the schools are very old and with temporary structure. The schools are in dilapidated conditions therefore construction of new building is required. The land and staffs are already available since the schools are existing ones.

- (a) <u>School building at the cost of 50 Lakh</u> The State govt. has conveyed that same types of school were approved in 76 Empowered Committee meeting in Melagarh Block @ 60 Lakh. Now the cost has been reduced because the old materials of existing of school will be used.
- (b) School building at the cost of Rs 200 Lakh The State govt. has conveyed that same type of school was approved in 87 Empowered Committee meeting at Bhavanipur in Kathalia Block @ 163.44 Lakh. Now the cost has been enhanced to Rs 200.00 lakh due to escalation of price of some building materials. The EC approved the school building in the same pattern as approved in 87th meeting of Empowered Committee, i.e. 12 class rooms, toilet and recreation rooms etc (double storied).

(c) <u>School building @Rs 300 Lakh</u>- This is a double storied building with model estimate of Rs 438 lakh for such schools. However, SLC has approved the construction of proposed schools @ Rs 300.00 lakh only. The total area is 1477 sqmtre. Therefore average cost of construction per sqmtre comes to Rs 20,311. Old materials of existing school will be used.

(ii) Health Sub Centre: The Health Sub Centers have been proposed at the uniform rate of Rs 20.00 lakh. All the Health Sub Centers are existing and running centers. However, the Health Sub Centers are very old and with temporary structure. The Health Sub Centers are in dilapidated conditions therefore construction of new building is required. The land and staffs are already available since the centers are existing ones.

(iii) Dining Halls in Schools:- The Halls have been proposed in the existing schools within school boundary at the uniform rate of Rs 20.00 lakhs. These Dining Halls are required for mid-day meal purpose. Till date construction of dining halls has not been taken up in the proposed schools. The EC discussed the cost of Dining Hall and found it a bit high and reduced it to Rs 15.00 lakh. Depending upon the geographical condition of Jampui Hills district, the EC decided to give 25% more for the Dining halls.

(iv) Science lab in Schools : Earlier in 76th and 87th EC Science labs have been approved @ Rs 30.00 lakh without equipments. These labs have been approved for construction of three rooms for physics, chemistry and biology. Now the State Govt has proposed labs @ Rs 40.00 lakh. The State representative explained that Rs 10.00 lakh is for equipments. The EC considered the cost break-up.

(v) Water related projects: The State Govt has conveyed that the projects have been forwarded to PWD (DWS) for consideration in the coming SLSSC meeting. The EC did not consider the projects for want of the approval of SLSSC.

The EC also decided to release the 1st installment of maximum upto 50% of the Central share for implementation of the projects.

#### (B) <u>Manipur</u>

The state Govt of Manipur has submitted project proposals for the MCBs in Thoubal, Tamenglong, Ukhrul, Churachandpur and Chandel Districts. The State Govt has proposed school building, hostel building, public toilets:

#### (1) Chandel District

a) Girls Hostel : The State Govt has proposed for construction of Single storied Hostel building. The ground floor construction cost has been proposed at Rs 35.00 lakh with electrification and water supply cost. Three six bedded rooms alongwith Kitchen, Dining hall, lavatory, Store room have been proposed. Roofing would be CGI Roofing. Building will be semi permanent.

**b)Science Laboratory** : The state Govt has proposed for construction of three room, physics, chemistry and Biology laboratory at the unit cost of Rs 15.00 lakh which includes 3% contingency cost also. The Structure is semi permanent.

<u>c) Primary School</u>: The state government has proposed for construction of primary school at the cost of Rs 15.00 lakhs. The type of construction will be semi permanent. The school will be of single storey with two classrooms and one staff's room. Roofing will be CGI roofing.

<u>d) Toilet at school</u>. The state Govt has proposed for construction of Toilets at schools at the cost of Rs 10.00 lakhs. The structure will include 10 WCs and 8 Urinals. 5 unit of WCs and 4 units of Urinal is for each boys' and girls' toilets.

The projects approved by Empowered Committee is as under:-
