**MINUTES OF THE 114<sup>th</sup> MEETING OF EMPOWERED COMMITTEE UNDER MULTI-SECTORAL DEVELOPMENT PROGRAMME HELD ON 29.03.2016 UNDER THE CHAIRMANSHIP OF SECRETARY, MINISTRY OF MINORITY AFFAIRS.**

The 114<sup>th</sup> Meeting of the Empowered Committee (EC) for Multi-sectoral Development Programme (MsDP) was held on 29.03.2016, under the Chairmanship of Secretary, Ministry of Minority Affairs, to consider and approve the project proposals with regard to the Minority Concentration Blocks (MCBs)/Minority Concentration Towns (MCTs) received from State Governments of Jammu & Kashmir, Jharkhand and Uttar Pradesh. The representatives of the Ministry of Drinking Water and Sanitation, Ministry of Skill Development and Ministry of Health and Family Welfare attended the meeting. The district magistrates and other officials from both the State Governments participated in the meeting through video conferencing. A list of officials present in the meeting in person or through video conference is annexed as annexure - II.

2. **Progress on website:** The progress of implementation of MsDP is reported on quarterly basis to the Delivery Monitoring Unit (DMU) in PMO (Prime Minister's Office) and the status of implementation of various projects in terms of funds released by the Ministry of Minority Affairs and utilized by the State/UT; number of works sanctioned, completed and works in progress is regularly monitored. These details and photographs of works are placed in the Ministry's website for transparency. State Governments/UT Administrations are required to review the implementation on quarterly basis; ensure that Central funds are released to the districts within one month of sanction; State share (wherever applicable) released along with the Central funds; ensure that the executing agencies start the construction works at the earliest, and complete the construction works within the scheduled period.
3. **Adhering to guidelines and eliminating duplication:** States/UTs should ensure that the proposals sent have the approval of the State Level Committee of MsDP / Mission Director of CSS concerned in order to ensure that the proposal, in terms of specification, norms, standards etc., is in accordance with the guidelines of the scheme concerned and that duplication has been ruled out.

The responsibility for eliminating duplication of work and avoiding double counting of a scheme under two funding sources vested with both the district authority and the State Government. Accounts under MsDP should be maintained separately and Central Ministry concerned informed of assets created in respect of CSS topped up under MsDP.

4. The States/UTs were advised by the Empowered Committee to ensure that the catchment area of the assets created under MsDP have substantial minority population. Further the States/UTs would also ensure that the ownership of the asset created would be with the Govt/Govt body.

5. **Centrally Sponsored Scheme (CSS) guidelines:** MsDP provides that there would be no change in guidelines of any existing Centrally Sponsored Scheme (CSS) under implementation in such districts for which this programme would provide additional funds. In case schemes for individual benefits are taken up under the programme, there shall be no divergence from existing norms for selection of beneficiaries from the list of BPL families in the district, so that benefits from the additional funds flow to all BPL families and not selectively. However, the provision under Indira Awas Yojana (IAY) guidelines for making separate allocation for Scheduled Castes (SC) or Scheduled Tribes (ST) will not be followed under MsDP. The entire number of units sanctioned under MsDP would be given to BPL households, from minority communities as well as other communities, in order of the serial number in the approved wait list without making separate allocation for Scheduled Castes (SC) or Scheduled Tribes (ST).

5.1. **Anganwadi Centre:** Wherever Anganwadi Centre has been approved, it should be ensured to follow the norms of Ministry of Women and Child Development that the minimum area of AWC would be 600 sq. feet with a sitting room for children/women, separate kitchen, store for storing food items, child friendly toilets and space for children to play, with drinking water facility.

6. **Timely release of funds:** The sanction letters of the Ministry stipulate that funds should be released to the district/implementing agency within a month's time, but the States/UT have been generally taking much time in releasing funds to the district/implementing agency. State shares, wherever applicable, are not released along with the Central funds by some States. Prompt release of funds was advised to ensure that works are started at the earliest.

7. **Utilisation Certificate:** For release of second installment, utilization certificate (UC) is required. If the UC is furnished within a period of one year after release by the Ministry, 60% UC would be required for releasing the next installment. However, if utilization is made beyond the period of a year, 100% utilization would be necessary. The UCs would need to be accompanied by

QPR showing physical progress as proof of the work in progress. The Utilization Certificates of the 2<sup>nd</sup> and subsequent installment should also be submitted by the States/UTs to the Ministry.

8. **Sample testing and quality control:** Quality control was to be ensured through regular and frequent field visits and by testing samples of the construction work for which funds would be sanctioned by the Ministry on receipt of request from the State concerned. All the States/UTs were advised to carry out field visits, quality control tests and review all works under MsDP to ensure that the shortcomings do not take place in their State/UT.

9. **Inclusion of Members of Parliament in State and district level committees:** Members of Parliament (MP) and Member of Legislative Assembly (MLAs) have been included in the State and district level committees for implementation of the Prime Minister's New 15 Point Programme for the Welfare of Minorities which also serves as the committee for MsDP. MLAs are also to be nominated on the Committees by the State Government. It should be ensured that they are invited to attend the meetings of the district and State level committees.

10. **Display boards:** Para 16.1(ii) of the scheme of MsDP provides for a 'display board' which should have— Name of the project/scheme printed followed by "Multi-sectoral Development Programme (MsDP), Ministry of Minority Affairs, Govt. of India." For projects with longer construction period, in addition to above, the name of implementing agency, date of sanction of the project, likely date of completion and estimated cost of the project should be printed on the display boards. States/UT should ensure this and put up a permanent display on completion of each project.

11. **General conditions applicable to projects approved by the Empowered Committee**  
For approvals given by the Empowered Committee, including in-principle approvals, the Principal Secretary/Secretary of State's/UTs and the District Collectors/representatives were advised to note that the following conditions would apply to all projects under MsDP. State Government/UT administration concerned should ensure that the following have been complied with:-

**Approval of the State department concerned/Mission Director** for Centrally Sponsored Scheme (CSS) concerned have covered the following –

- (a) **Need** for having the proposal sanctioned under MsDP.
- (b) **Duplication has been eliminated.**

**(A) Jammu & Kashmir**

The State Govt. of Jammu & Kashmir submitted project proposals for 2 districts of Jammu & Kashmir for implementation of MsDP during 12<sup>th</sup> Five Year Plan under restructured MsDP. The proposal has been approved by the State Level Committee on 12.01.2016. The State

Govt of Jammu & Kashmir submitted following declaration with regard to the projects as per Appendix-II of the guidelines:-

- The land for all construction activities is available.
- It has been ensured that all locations proposed have atleast 25% minority population in its catchment area.
- The Cost estimates proposed for different works/projects are as per the standardized cost derived on the basis of norms/ design prescribed by the concerned Ministry for that particular work.
- It has been ensured that there is no duplication of the work with any Scheme of the Center /State Government and concerned Director/Mission Director has been consulted in this regard.
- The maintenance and recurring cost related with the projects will be borne by the concerned department of State Govt.
- The plan proposals has been approved by State level Committee (SLC) for 15 PP Programme.

The EC confirmed the availability of land from the State Govt and requested to furnish the land particulars of the assets if available. The representative of State Govt. mentioned that, Govt lands for all the projects are available and the land particulars can be made available when desired.

#### **(B) JHARKHAND**

The State Govt. of Jharkhand submitted project proposals for 16 districts, however, after scrutiny project proposal of 24 MCBs in 12 districts of Jharkhand namely Lohardaga, Jamtara, Ranchi, Pakur, Hazaribagh, Simdega, Khunti, Godda, Deoghar, Garhwa, Sahibganj and Gumla were taken in the agenda for the EC meeting for implementation of MsDP during 12<sup>th</sup> Five Year Plan under restructured MsDP. The proposal has been approved by the State Level Committee. The State Govt of Jharkhand submitted following declaration with regard to the projects as per Appendix-II of the guidelines:-

- The land for all construction activities is available.
- It has been ensured that all locations proposed have atleast 25% minority population in its catchment area.
- The Cost estimates proposed for different works/projects are as per the standardized cost derived on the basis of norms/ design prescribed by the concerned Ministry for that particular work.

- It has been ensured that there is no duplication of the work with any Scheme of the Center /State Government and concerned Director/Mission Director has been consulted in this regard.
- The maintenance and recurring cost related with the projects will be borne by the concerned department of State Govt.
- The plan proposals has been approved by State level Committee (SLC) for 15 PP Programme.

The projects proposed by the State mainly related to education, primarily construction of additional class rooms in the schools were proposed. However, the EC found that the districts were not represented by the Deputy Commissioner or neither DDC nor the representatives of education department were present in the meeting. The District Welfare Officers representing the districts could not explain the projects taken in the agenda. In view of this, most of the projects were deferred for consideration. The EC also requested Secretary, Social Welfare Department, Jharkhand that the EC is conversant with the requirement of ACRs and any other assets in the school, however while the proposal the State Govt should confirm the requirement of such assets keeping in view the total enrolment of students, enrolment of minority students, availability of land, standard design as per SSA/RMSA norms. Similarly, the EC directed the State authorities to obtain the approval of NRHM for the Health projects before sending it to the Ministry for consideration.
